

James and Esther King Biomedical Research Program

Funding Opportunity Announcement

FY 2015-2016

ADDENDUM 1

Changes to the FY 2015/2016 Funding Opportunity Announcement:

Page 11:

- Applications conducting research with Department of Health data must include a letter of support from the program office which houses the data. For example, if conducting research using data from the Florida Cancer Data System, you must include a letter of support.

Page 19:

Letters of Support	Required (if applicable). Researchers conducting behavioral health research involving tobacco cessation and control must include a letter of support from The Tobacco Free Florida Program. If applying for a grant involving Department of Health data, a signed letter of support from the program office which houses the data, must be uploaded. Letters of support are not required for other types of research. Letters must be uploaded as a single document.
