

Announcement of Amendment to the FY 2016-2017 James and Esther King Biomedical Research Program Funding Opportunity Announcement (FOA)

The deadlines for the Letter of Intent and the Application WILL NOT be extended as a result of this amendment. All deadlines listed in the Schedule of Important Dates on page 12 of the FOA remain unchanged.

The purpose of this announcement is to revise the anticipated date of the awards announcement. The Schedule of Important Dates, found on pages 12-13 of the FOA contains the following information:

ACTIVITY	DATES	IMPORTANT INFORMATION
Awards announced	Anticipated date: January 15, 2017	Award letters and Terms & Conditions will be emailed to the Sponsored Research Official and the Corresponding Principal Investigator.

This amendment changes the anticipated date of the awards announcement from January 15, 2017 to **January 18, 2017**.
