

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.

Principal Investigator	Protocol Title	Location or data source
Youjie Huang	Pregnancy Risk Assessment Monitoring System (PRAMS) [Grant number: 1U01DP003148-01]	Florida Vital Statistics
Karen Dow Meneses	Rural Breast Cancer Survivors Intervention	Florida Cancer Registry Data system
Meade Grigg	Multiple Generations, Race, and Poor Pregnancy Outcomes	Florida Vital Statistics
Tuya Pal	A Population-Based Study of Inherited Breast Cancer in Young African American Women with Breast Cancer	Florida Cancer Registry Datasystem

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.

Anne Zeleniuch-Jacquotte	The NYU Women's Health Study- Biomarkers and Cancer Risk	Florida Cancer Registry Datasystem
Jose Szapocznik	Hispanics, built environment & metabolic syndrome	County Health Department: Dade County Health Department
David Ashkin	CLOFAZIMINE USE IN THE LONG-TERM TREATMENT OF LEPROSY, Phase III  (FDA IND Number 67,033, Tulane IRB #J0115)	Bureau of Laboratories: Jacksonville Central Laboratory
Lynn Rosenberg	Black Women's Health Study: A Follow-up Study	Florida Cancer Registry Datasystem
David Lewkowicz	The Development of Perceptual and Cognitive Processing & Intersensory Perceptual Narrowing in Human Infants	Florida Vital Statistics

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.

Todd Wills	A Phase 2, Open-Label, Multicenter Study of the Safety of Ritonavir-Boosted GS 9137 GS 9137/r) Administered in Combination with Other Antiretroviral Agents for the Treatment of HIV 1 Infected Subjects	County Health Department: Hillsborough County Health Department
Almut Winterstein	Palivizumab Utilization, Effectiveness and Cost among Florida Medicaid Recipients	University of Florida
Tina Yen	Improving the Care and Outcomes of Women Undergoing Breast Surgery: Data linkage request for Florida Cancer Registry information	Florida Cancer Registry Datasystem
Barbara Kirkpatrick	Bather Microbial Shedding into Recreational Marine Waters	University of Miami
Angeline Andrew	The impact of genetic and exposure factors on cancer survival	Florida Cancer Registry Datasystem

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.

Nilmarie Guzman	An International, Multicenter, Prospective Observational Study of the Safety of Maraviroc used with Optimized Background Therapy in Treatment-Experienced HIV-1 Infected Patients	County Health Department: Duval County Health Department
James Cone	Cancer Incidence and Cancer Mortality in the World Trade Center Health Registry	Florida Cancer Registry Datasystem
Patrick Lammie	Screening and Treatment of Immigrant Populations for Lymphatic Filariasis	Centers for Disease Control and Prevention
Charurut Somboonwit	Pilot Study for a Multisite HIV/AIDS Clinical and Resource Use Database	
Lynne Pinkerton	Flight Attendants Health Study: The Incidence of Breast and Other Cancers among Female Flight Attendants	Florida Cancer Registry Datasystem

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.

Almut Winterstein	Epidemiology and Prophylaxis of Respiratory Syncytial Virus	University of Florida
Charurut Somboonwit	Strategic Timing of AntiRetroviral Treatment (START)	University of South Florida
Eric Miller	Pilot Project Proposal: Linkage of National Health Interview Survey with the Florida Cancer Data System	Florida Cancer Registry Datasystem
Mary Trepka	Retrospective cohort study to estimate the contribution of socioeconomic status, segregation, and rural residence to racial disparities in HIV survival, Florida.	Florida International University
Stephanie Marhefka	Novel dissemination of a group intervention for HIV+ women via web conferencing  Secondary Title: HER: Healthy Relationships? Extending the Reach	County Health Department: Hillsborough County Health Department

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.

Eric Buhi	Understanding Risk in Teens at the Largo Clinic	County Health Department: Pinellas County Health Department
Avima Ruder	Studies of Cancer Incidence and Mortality Among Workers Exposed to Polychlorinated Biphenyls (PCBs) in Electrical Capacitor Manufacturing Plants in New York, Massachusetts, and Indiana	Florida Cancer Registry Datasytem
Dolores Albarracin	Selective Exposure in HIV Prevention	County Health Department: Duval County Health Department
Sana Rokadia	A retrospective comparison of rates of HIV progression, the incidence and prevalence of antiretroviral resistance, and antiretroviral therapy tolerability between HIV-infected individuals greater than 50 years of age and those 18 to 25 years of age.	University of Florida
Janet Hamilton	EVALUATION OF TETRAVALENT MENINGOCOCCAL CONJUGATE VACCINE EFFECTIVENESS	Disease Control:Epidemiology

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.

Daniel Feaster	Project Aware: HIV Rapid Testing and Counseling in STD Clinics in the U.S. (an Adaptation of CTN 0032)	University of Miami
Alexander Parker	Evaluation of Tumor-based Biomarkers of Cancer-specific Survival in a Population-Based Cohort of Patients with Renal Cell Carcinoma in Northeast Florida	Mayo Clinic Jacksonville
Allison Allegra	Association of Select Sexual Behaviors with Hepatitis C infection	County Health Department: Alachua County Health Department
JoAnne Youngblut	Death in the PICU/NICU: Parent & Family Functioning	Florida Vital Statistics

## Research at the Florida Department of Health

Studies conducted by Department of Health scientists, and research involving Florida residents, patients, and state cancer registry and other public health data.
