Meeting Agenda

Meeting purpose:

The Live Like Bella Pediatric Cancer Research Initiative is established in section 381.922, Florida Statutes. The Florida Legislature specified the purpose of the Initiative is to advance progress toward curing pediatric cancer through grants awarded through a peer-reviewed, competitive process. The Initiative will provide grants for research to further the search for cures for pediatric cancer, by pursuing the following goals:

- Significantly expand pediatric cancer research capacity in Florida.
- Improve both research and treatment through greater pediatric enrollment in clinical trials networks.
- Reduce the impact of pediatric cancer on disparate groups.
