This survey asks about tobacco use. It has been developed so that you can tell us what you do that may affect your health. This is not a test. The information you give will be used to develop better education programs for young people like yourself.

Do not write your name on this survey. The answers you give will be kept private. No one will know what you write. Answer the questions based on what you really do.

Completing this survey is voluntary. Whether or not you answer a question will not affect your grade in this class. If you are not comfortable answering a question, just leave it blank. Please be as honest as you can.

The questions that ask about your background will only be used to describe the types of students completing the survey. The information will not be used to find out your name. No names will ever be reported.

Make sure to answer every question. Fill in the circles on the answer sheet completely. When you are finished, follow the instructions of the person giving the survey.
