FLORIDA YOUTH SURVEY 2000
This survey is about you and what you do that may affect your health. The information you give will be used to develop better education programs for young people like yourself.

DO NOT write your name on this survey. The answers you give will be kept private. No one will know what you write. This is not a test. Answer the questions based on what you really do and know.

Completing the survey is voluntary. Whether or not you answer the questions will not affect your grade in this class. If you are not comfortable answering a question, just leave it blank.

The questions that ask about your background will only be used to describe the types of students completing this survey. The information will not be used to find out your name. No names will ever be reported.

Make sure to read every question. Fill in the circles on the answer sheet completely. When you are finished, follow the instructions of the person giving you the survey.
