FLORIDA YOUTH SURVEY 2001
This survey is about health behavior. It has been developed so you can tell
us what you do that may affect your health. The information you give will
be used to develop better health education for young people like yourself.

DO NOT write your name on this survey. The answers you give will be
kept private. No one will know what you write. Answer the questions
based on what you really do.

Completing the survey is voluntary. Whether or not you answer the
questions will not affect your grade in this class. If you are not comfortable
answering a question, just leave it blank.

The questions that ask about your background will be used only to describe
the types of students completing this survey. The information will not be
used to find out your name. No names will ever be reported.

Make sure to read every question. Fill in the circles completely. When you
are finished, follow the instructions of the person giving you the survey.
