

0:0:0.0 --> 0:0:0.370

Robinson, Kimberly S
OK.

0:0:0.380 --> 0:0:0.600

Robinson, Kimberly S
We're.

0:0:1.370 --> 0:0:1.960

Carrie Rayburn
Ignore it.

0:0:0.610 --> 0:0:2.250

Robinson, Kimberly S
We're gonna go ahead and get started.

0:0:10.20 --> 0:0:11.220

Robinson, Kimberly S
OK, I I see you there.

0:0:11.230 --> 0:0:17.910

Robinson, Kimberly S
Carrie, I think I think you had called in and that one logged out and OK cool, alright.

0:0:15.920 --> 0:0:19.40

Carrie Rayburn
Yes, I finally valid ticket on the computer you.

0:0:21.120 --> 0:0:22.90

Robinson, Kimberly S
OK, we're gonna go ahead.

0:0:22.200 --> 0:0:22.410

Robinson, Kimberly S
And get.

0:0:22.540 --> 0:0:31.210

Robinson, Kimberly S
Started and thank you all for taking the time to join our public Aware Awareness Committee meeting for the Brain and spinal Cord Injury Program.

0:0:31.360 --> 0:0:35.350

Robinson, Kimberly S
For those that are guessed on this call today, my name is Kimberly Robinson.

0:0:35.360 --> 0:0:44.250

Robinson, Kimberly S
I'm the section administrator for the brain and spinal Cord Injury program, and I'm gonna start this meeting by doing roll call.

0:0:44.260 --> 0:0:46.310

Robinson, Kimberly S

So I'm gonna ask Caitlin to take roll call.

0:0:46.580 --> 0:0:49.80

Robinson, Kimberly S

All of the Council members present.

0:0:50.620 --> 0:0:51.150

Speaker 1

OK.

0:0:51.700 --> 0:0:53.690

Speaker 1

To start, Kevin Mullen.

0:0:58.310 --> 0:0:59.830

Speaker 1

Uh Doctor Rhonda Ross.

0:1:6.980 --> 0:1:8.430

Speaker 1

Uh Patty lamps.

0:1:13.780 --> 0:1:14.780

Speaker 1

Jennifer lannon.

0:1:16.130 --> 0:1:16.550

Jennifer Lannon

Present.

0:1:19.630 --> 0:1:20.550

Speaker 1

Daniel Nicholson.

0:1:25.510 --> 0:1:26.600

Speaker 1

Jeffrey shakur.

0:1:31.60 --> 0:1:32.60

Speaker 1

Uh, Michael. Fatter.

0:1:36.880 --> 0:1:37.940

Speaker 1

Madonna stautzenberger.

0:1:43.190 --> 0:1:44.130

Speaker 1

Jellinek.

0:1:45.640 --> 0:1:46.20

afe8185b-3590-4b2a-9329-0932982b143b

Doesn't.

0:1:47.120 --> 0:1:49.50

Speaker 1

Thank you, doctor.

0:1:49.60 --> 0:1:50.40

Speaker 1

Adriana Valbuena.

0:1:54.310 --> 0:1:55.400

Speaker 1

Doctor Brian Higdon.

0:1:58.340 --> 0:1:58.680

Dr. Brian Higdon (Guest)

President.

0:1:59.790 --> 0:2:1.660

Speaker 1

Thank you, Carrie Rayburn.

0:2:3.30 --> 0:2:3.530

Carrie Rayburn

Present.

0:2:4.560 --> 0:2:5.980

Speaker 1

And Ruth Ann Tattersall.

0:2:8.130 --> 0:2:8.550

Ruth Tattersall

Present.

0:2:10.0 --> 0:2:10.370

Speaker 1

Thank you.

0:2:10.630 --> 0:2:10.890

Robinson, Kimberly S

OK.

0:2:11.970 --> 0:2:12.600

Robinson, Kimberly S

Thank you.

0:2:12.910 --> 0:2:17.220

Robinson, Kimberly S

So we have 9 council members for this committee in five or present.

0:2:17.230 --> 0:2:28.170

Robinson, Kimberly S

So we do have a quorum today and with that, I would like to move forward to call for approval of the Minutes from April 23rd, our last pack meeting that we had.

0:2:29.520 --> 0:2:30.280

Robinson, Kimberly S

Do I hear a motion?

0:2:32.70 --> 0:2:32.870

Jennifer Lannon

Motion to approve.

0:2:33.800 --> 0:2:34.150

Dr. Brian Higdon (Guest)

2nd.

0:2:35.930 --> 0:2:36.450

Robinson, Kimberly S

OK.

0:2:36.490 --> 0:2:37.60

Robinson, Kimberly S

Thank you.

0:2:37.130 --> 0:2:38.230

Robinson, Kimberly S

The Minutes are now approved.

0:2:39.110 --> 0:2:39.580

Robinson, Kimberly S

I'm on.

0:2:39.870 --> 0:2:53.370

Robinson, Kimberly S

Our agenda is going to short today because we haven't had a meeting since April, but the first thing on the agenda that I want to address is I need a Council member to take the lead for this committee.

0:2:53.520 --> 0:3:1.580

Robinson, Kimberly S

As you all know, Ricky Zeidman had that position previously and his term ended in July.

0:3:1.860 --> 0:3:6.830

Robinson, Kimberly S

And so we now need another Council member to take the lead for this committee.

0:3:6.840 --> 0:3:11.920

Robinson, Kimberly S

To any of you that are present or any of you willing to take the lead for this committee.

0:3:17.770 --> 0:3:18.640

afe8185b-3590-4b2a-9329-0932982b143b

This is Jill.

0:3:18.690 --> 0:3:23.180

afe8185b-3590-4b2a-9329-0932982b143b

I I can take it and if somebody wants to leave with me, that'd be great.

0:3:25.690 --> 0:3:26.90

Robinson, Kimberly S

OK.

0:3:26.780 --> 0:3:28.490

Robinson, Kimberly S

And if they want to Co lead with Jill.

0:3:29.490 --> 0:3:30.660

Carrie Rayburn

All collide with Jill.

0:3:30.670 --> 0:3:31.230

Carrie Rayburn

This is Kerry.

0:3:32.350 --> 0:3:32.690

Robinson, Kimberly S

OK.

0:3:34.790 --> 0:3:35.370

Robinson, Kimberly S

Wonderful.

0:3:35.380 --> 0:3:36.50

Robinson, Kimberly S

Thank you for that.

0:3:37.790 --> 0:3:50.40

Robinson, Kimberly S

So what will happen is, before we have the next meeting, we'll have the Minutes sent to you and you'll be able to work up what you want to speak about on your agenda.

0:3:50.430 --> 0:3:53.850

Robinson, Kimberly S

And we like to get that information back as quick as we can.

0:3:55.660 --> 0:3:58.150

Robinson, Kimberly S

So we can get it out and published.

0:3:58.380 --> 0:4:0.870

Robinson, Kimberly S

And so Jill and Kerry will get with you.

0:4:0.880 --> 0:4:6.590

Robinson, Kimberly S

Caitlin and I will get with you as far as when the next pack meeting date is gonna be so that you'll be prepared for that.

0:4:6.600 --> 0:4:11.560

Robinson, Kimberly S

Caitlin has been putting out tentative dates throughout the years, so we can all kind of be prepared for that.

0:4:13.260 --> 0:4:13.550

Dr. Brian Higdon (Guest)

Do we?

0:4:13.90 --> 0:4:15.220

Robinson, Kimberly S

Moving on to our next, I'm sorry.

0:4:14.270 --> 0:4:19.290

Dr. Brian Higdon (Guest)

It really is this something that is due a vote.

0:4:21.410 --> 0:4:22.370

Robinson, Kimberly S

A vote on what?

0:4:21.500 --> 0:4:27.290

Dr. Brian Higdon (Guest)

You had the motion in a second I for them to be the the the Committee chairs.

0:4:27.360 --> 0:4:30.500

Robinson, Kimberly S

Oh, we we can vote on that.

0:4:31.260 --> 0:4:31.810

Dr. Brian Higdon (Guest)

Yep.

0:4:31.860 --> 0:4:34.170

Dr. Brian Higdon (Guest)

So I I I.

0:4:30.510 --> 0:4:34.660

Robinson, Kimberly S

Yes, I if you wanna, if you if you wanna do a motion.

0:4:35.660 --> 0:4:36.50

Dr. Brian Higdon (Guest)

Yeah.

0:4:36.60 --> 0:4:36.820

Dr. Brian Higdon (Guest)

So.

0:4:37.100 --> 0:4:41.840

Dr. Brian Higdon (Guest)

So, so Mel motion for Ruth to be a committee chair.

0:4:43.520 --> 0:4:44.50

Robinson, Kimberly S

For Jill.

0:4:45.160 --> 0:4:45.920

Dr. Brian Higdon (Guest)

Ohh sorry Jill.

0:4:47.840 --> 0:4:48.980

Dr. Brian Higdon (Guest)

Sorry sorry.

0:4:49.90 --> 0:4:49.330

Dr. Brian Higdon (Guest)

Jill.

0:4:49.340 --> 0:4:53.570

Dr. Brian Higdon (Guest)

Yeah, sorry I I looked up and saw Ruth name here, but yeah.

0:4:53.580 --> 0:4:55.670

Dr. Brian Higdon (Guest)

For for Jill to be community share.

0:4:56.580 --> 0:4:57.50

Robinson, Kimberly S

OK.

0:4:57.110 --> 0:5:0.560

Robinson, Kimberly S

And do you wanna do a motion for Kerry to be the coach?

0:5:1.450 --> 0:5:2.200

Dr. Brian Higdon (Guest)

Is that a?

0:5:2.250 --> 0:5:3.540

Dr. Brian Higdon (Guest)

Is that a position?

0:5:0.570 --> 0:5:5.420

Robinson, Kimberly S

Care it can be.

0:5:3.550 --> 0:5:6.300

Dr. Brian Higdon (Guest)

I mean, I don't, I don't mind people collaborating.

0:5:6.770 --> 0:5:7.620

Robinson, Kimberly S

Yeah, it.

0:5:6.870 --> 0:5:7.730

Dr. Brian Higdon (Guest)

It can be OK.

0:5:8.110 --> 0:5:11.550

Robinson, Kimberly S

Yeah, it can't be yes, alright.

0:5:9.790 --> 0:5:15.680

Dr. Brian Higdon (Guest)

OK umm for is it Co committee chair or or or or?

0:5:15.690 --> 0:5:16.710

Dr. Brian Higdon (Guest)

How do you wanna arrange it?

0:5:15.390 --> 0:5:18.230

Robinson, Kimberly S

Yes, it's a Co committee chair.

0:5:18.700 --> 0:5:20.850

Dr. Brian Higdon (Guest)

OK, for alright.

0:5:20.860 --> 0:5:25.560

Dr. Brian Higdon (Guest)

For, for, for Jill and carry to be committee chairs by motion.

0:5:25.580 --> 0:5:30.0

Robinson, Kimberly S

So Jill would be the Jill would be the chair for this committee and carry would be the Co chair.

0:5:30.720 --> 0:5:30.940

Dr. Brian Higdon (Guest)

OK.

0:5:33.320 --> 0:5:34.340

Robinson, Kimberly S

And do I hear a second?

0:5:39.130 --> 0:5:39.730

Jennifer Lannon

I second.

0:5:41.320 --> 0:5:41.580

Robinson, Kimberly S

OK.

0:5:42.660 --> 0:5:43.960

Robinson, Kimberly S

All right, motion approved.

0:5:46.10 --> 0:5:47.280

Robinson, Kimberly S

Thank you for that, Doctor Hickman.

0:5:47.740 --> 0:5:47.920

Dr. Brian Higdon (Guest)

Yep.

0:5:49.200 --> 0:5:49.650

Robinson, Kimberly S

All right.

0:5:49.660 --> 0:5:52.450

Robinson, Kimberly S

So then then takes us right to.

0:5:52.520 --> 0:6:2.530

Robinson, Kimberly S

I have Becky in the meeting today and so we have some really good news about our Resource Center website that we've been working so feverishly on.

0:6:2.800 --> 0:6:8.890

Robinson, Kimberly S

So I'm gonna let Becky speak about that and then any questions you have, feel free to ask away.

0:6:9.260 --> 0:6:9.760

Robinson, Kimberly S

So Becky?

0:6:11.20 --> 0:6:13.10

Robinson, Rebecca

Good afternoon, everyone to.

0:6:13.920 --> 0:6:19.930

Robinson, Rebecca

I'm pleased to tell you that I completed a layout for our new website design.

0:6:21.400 --> 0:6:26.580

Robinson, Rebecca

We have currently moved everything over to the DoH site.

0:6:27.820 --> 0:6:31.220

Robinson, Rebecca

Umm, so that and we've kind of gotten rid of all the other ones.

0:6:31.230 --> 0:6:43.600

Robinson, Rebecca

They're redirecting them over to DoH and I've updated all of the A-Z resources and in each one of those resources they have.

0:6:43.610 --> 0:7:5.450

Robinson, Rebecca

It has a direct link to their website, so it's gonna be very easy for our population to go out and click on something and have it take them directly to the website rather than searching through 100 different things to try to find 1 little article, umm and I've gotten them broken up into brain injuries.

0:7:5.460 --> 0:7:13.120

Robinson, Rebecca

Spinal cord, caregiver and professionals so they can just click on whichever section they want to look in and and find whatever they need.

0:7:14.130 --> 0:7:22.900

Robinson, Rebecca

I also met with the developer this week and spent about an hour going over specifics on the new website and the placement of things.

0:7:23.890 --> 0:7:29.800

Robinson, Rebecca

He will do a mock up of the new website and send it to me for any changes or additions.

0:7:29.810 --> 0:7:30.440

Robinson, Rebecca
Deletions.

0:7:30.450 --> 0:7:31.160

Robinson, Rebecca
What have you?

0:7:31.410 --> 0:7:34.550

Robinson, Rebecca
Hopefully we can have that process completed in the next few weeks.

0:7:35.640 --> 0:7:37.570

Robinson, Rebecca
Uh, that's what I'm hoping anyway.

0:7:37.620 --> 0:7:46.890

Robinson, Rebecca
Although things tend to move a little slow, we got we got taking off track last week with the storm and so we had to cancel a couple of meetings.

0:7:47.340 --> 0:7:55.480

Robinson, Rebecca
I've also worked with Rob on what type of graphics are allowed to be used in the department.

0:7:56.390 --> 0:7:56.980

Robinson, Rebecca
Umm.

0:7:57.30 --> 0:8:3.700

Robinson, Rebecca
And I've sent him some graphics that I found online that were free to have him check him out and make sure that they're OK for us to use.

0:8:4.630 --> 0:8:5.170

Robinson, Rebecca
Umm.

0:8:6.220 --> 0:8:17.120

Robinson, Rebecca
Once everything is where we need it to be and it looks good, then we're gonna present it to the website team for any suggestions or additions that they might have.

0:8:18.20 --> 0:8:30.170

Robinson, Rebecca
Uh, I also sent an email out this this week to Natalie Alden Porky's request to gets her suggestions on the appropriate font and size to use on our website for population we serve.

0:8:30.440 --> 0:8:35.350

Robinson, Rebecca

I'm still waiting to hear back from her on that, so that's where we are.

0:8:35.360 --> 0:8:55.610

Robinson, Rebecca

So I'm hoping that in the next few months we will be live with our new website and that's gonna take a while because after we get done designing it, then Kim has to do a letter to Umm Tallahassee and then before it goes to communications and has to get approved there before IT can actually build the website.

0:8:59.230 --> 0:8:59.590

Robinson, Kimberly S

No.

0:8:59.910 --> 0:9:0.960

Robinson, Kimberly S

So right now if you.

0:8:59.640 --> 0:9:2.820

Robinson, Rebecca

So it's going to take a while, but at least we're moving in the right direction now.

0:9:4.400 --> 0:9:4.710

afe8185b-3590-4b2a-9329-0932982b143b

Yeah.

0:9:4.720 --> 0:9:5.260

afe8185b-3590-4b2a-9329-0932982b143b

Great.

0:9:5.320 --> 0:9:6.170

afe8185b-3590-4b2a-9329-0932982b143b

I have a question.

0:9:6.220 --> 0:9:13.240

afe8185b-3590-4b2a-9329-0932982b143b

So is there a draft like a a background draft, one that you're working in that we could see?

0:9:13.500 --> 0:9:15.920

Robinson, Rebecca

It just the one that I had originally sent out to him.

0:9:15.980 --> 0:9:27.90

Robinson, Rebecca

And and then Eric and I went over that design and he's going to actually do us up a mock up on that one website that he had shown us in our last meeting.

0:9:28.950 --> 0:9:30.760

Robinson, Kimberly S

Do you have that picture at all, Becky?

0:9:30.770 --> 0:9:31.740

Robinson, Kimberly S

That's what they're asking.

0:9:31.750 --> 0:9:33.460

Robinson, Kimberly S

If you could kind of show them what it's going to.

0:9:32.970 --> 0:9:34.600

Robinson, Rebecca

How the wrestling one.

0:9:35.550 --> 0:9:36.280

Robinson, Kimberly S

Yeah, kind of.

0:9:34.650 --> 0:9:36.900

Robinson, Rebecca

OK, let me see if I can find it.

0:9:36.290 --> 0:9:37.270

Robinson, Kimberly S

What it's gonna look like?

0:9:36.910 --> 0:9:37.600

Robinson, Rebecca

I don't have it.

0:9:38.620 --> 0:9:40.0

Robinson, Rebecca

I don't have it right off hand.

0:9:41.170 --> 0:9:41.450

Robinson, Kimberly S

OK.

0:9:41.340 --> 0:9:42.580

afe8185b-3590-4b2a-9329-0932982b143b

Maybe could it be said that was?

0:9:41.480 --> 0:9:43.580

Robinson, Rebecca

Let me see if I can find it while you're talking.

0:9:50.300 --> 0:9:50.720

afe8185b-3590-4b2a-9329-0932982b143b

Thank you.

0:9:50.230 --> 0:10:15.980

Robinson, Kimberly S

So while Becky, so while Becky's looking for that, umm, I do want to give Becky some kudos because our Resource Center, uh, was recognized by a client who actually sent a letter to the governor about how useful the Resource Center was and how outstanding Becky did and helping her find information.

0:10:15.990 --> 0:10:26.970

Robinson, Kimberly S

She this person was not a client currently in the program, but did have a son that had a traumatic brain injury and you know, kudos to Becky.

0:10:27.640 --> 0:10:38.10

Robinson, Kimberly S

We don't usually get too many letters coming down from the governor praising us, so I, you know, I take that very seriously when I get those letters, I'm like, yay.

0:10:38.420 --> 0:10:49.130

Robinson, Kimberly S

So I thought I would share that with the Council as well, that we did get some praise that went to the governor's office on our our program and services that Becky's providing out there on the Resource Center.

0:10:49.140 --> 0:10:49.890

Robinson, Kimberly S

Resource Center.

0:10:50.440 --> 0:10:53.960

Robinson, Kimberly S

So I I do want to recognize her for that.

0:10:53.590 --> 0:10:54.250

afe8185b-3590-4b2a-9329-0932982b143b

That's awesome.

0:10:55.100 --> 0:10:55.340

Jennifer Lannon

Game.

0:10:54.590 --> 0:10:56.430

Carrie Rayburn

Great, great job again.

0:10:58.330 --> 0:10:58.670

Jennifer Lannon

Yeah.

0:10:55.390 --> 0:11:0.630

Dr. Brian Higdon (Guest)

Yep, well, this person that send the letter would be able to serve on the Advisory Council.

0:11:2.490 --> 0:11:4.530

Robinson, Kimberly S

I that would be nice.

0:11:4.540 --> 0:11:5.200

Robinson, Kimberly S

That would be nice.

0:11:5.210 --> 0:11:9.260

Robinson, Kimberly S

So regarding our Advisory Council, I can give a quick update on that.

0:11:9.270 --> 0:11:9.680

Robinson, Kimberly S

I did.

0:11:9.690 --> 0:11:20.900

Robinson, Kimberly S

Do I did get two appointment letters back today for two of the applicants that went in that they were approved, so that would leave US1 vacancy.

0:11:22.660 --> 0:11:28.150

Robinson, Kimberly S

So, Caitlin, do you have those letters that it was non Chester which Don.

0:11:28.340 --> 0:11:31.90

Robinson, Kimberly S

Excuse me, Mr Chester is on the call today.

0:11:31.360 --> 0:11:33.650

Robinson, Kimberly S

And who who was the other applicant?

0:11:33.660 --> 0:11:36.160

Robinson, Kimberly S

Caitlin that got approved, I forget the name.

0:11:35.580 --> 0:11:37.990

Speaker 1

Umm, I'll probably butcher it.

0:11:38.0 --> 0:11:41.580

Speaker 1

It's doctor her attus Horatius.

0:11:41.640 --> 0:11:43.320

Speaker 1

Is that right herodus?

0:11:47.180 --> 0:11:48.200

Speaker 1

But I'm opening it.

0:11:44.580 --> 0:11:50.680

Robinson, Kimberly S

I'm not positive I don't have it in front of me so that that just leaves one vacancy left for us.

0:11:52.20 --> 0:11:53.290

Robinson, Kimberly S

So that's good news too.

0:11:53.680 --> 0:11:57.580

Robinson, Kimberly S

So, Mr Chester, you're gonna be getting an email from me.

0:11:57.590 --> 0:12:0.870

Robinson, Kimberly S

Probably tomorrow, welcoming you to the Advisory Council.

0:12:1.100 --> 0:12:6.430

Robinson, Kimberly S

And I'll have some information that will go along with that for you.

0:12:6.520 --> 0:12:8.610

Robinson, Kimberly S

So I see that you're on the call today.

0:12:14.400 --> 0:12:14.870

Chester, Don

Thank you.

0:12:8.620 --> 0:12:15.240

Robinson, Kimberly S

So congratulations, we'll just congratulate you today and you'll get your letter tomorrow, so yeah.

0:12:14.880 --> 0:12:15.910

Chester, Don

Thank you very much.

0:12:16.390 --> 0:12:16.840

Robinson, Rebecca

Excellent.

0:12:15.920 --> 0:12:18.0

Chester, Don

I appreciate that and looking forward to joining.

0:12:18.700 --> 0:12:19.210

Robinson, Kimberly S

Yeah.

0:12:19.250 --> 0:12:22.770

Robinson, Kimberly S

So the so you can start thinking about what committee you wanna join.

0:12:22.780 --> 0:12:28.450

Robinson, Kimberly S

You wanna join the public awareness or performance quality improvement?

0:12:28.460 --> 0:12:32.30

Robinson, Kimberly S

So I'm gonna throw all that at you tomorrow in the email.

0:12:33.560 --> 0:12:34.100

Chester, Don

Very good.

0:12:34.110 --> 0:12:35.600

Chester, Don

I I look forward to that.

0:12:32.40 --> 0:12:35.830

Robinson, Kimberly S

So you can start thinking that over, OK.

0:12:35.610 --> 0:12:35.990

Chester, Don

Thank you.

0:12:36.580 --> 0:12:37.190

Robinson, Kimberly S

Yes, Sir.

0:12:38.220 --> 0:12:39.650

Robinson, Kimberly S

Becky, did you have anything else?

0:12:39.660 --> 0:12:41.400

Robinson, Kimberly S

Did you find that draft you were looking for?

0:12:41.180 --> 0:12:41.820

Robinson, Rebecca

No, I'm.

0:12:41.890 --> 0:12:43.650

Robinson, Rebecca

I'm still looking for it, Cam, sorry.

0:12:43.840 --> 0:12:44.450

Robinson, Kimberly S

OK.

0:12:44.500 --> 0:12:45.690

Robinson, Kimberly S

OK, that's OK.

0:12:45.780 --> 0:12:49.370

Robinson, Kimberly S

Well, we can come back to it if you find it before the meeting ends, we'll come back to it.

0:12:50.340 --> 0:12:50.560

Robinson, Rebecca

OK.

0:12:49.380 --> 0:12:50.790

Robinson, Kimberly S

So that's fabulous.

0:12:52.860 --> 0:12:54.810

Robinson, Kimberly S

The last thing I have on the agenda here.

0:12:55.540 --> 0:12:59.470

Robinson, Kimberly S

Uh, yeah, I and this was copied from the last agenda.

0:12:59.480 --> 0:13:4.550

Robinson, Kimberly S

It's just the an update on additional ways or methods to increase public awareness.

0:13:4.560 --> 0:13:10.70

Robinson, Kimberly S

So we're always shooting ideas around and how to get awareness out there.

0:13:10.240 --> 0:13:15.40

Robinson, Kimberly S

The program did get some new promotional items.

0:13:16.240 --> 0:13:22.590

Robinson, Kimberly S

I have one of them right here in front of me that we're now handing out at some of our events.

0:13:22.740 --> 0:13:27.550

Robinson, Kimberly S

So the newest one here is we have these little brains now that say they.

0:13:28.770 --> 0:13:36.650

Robinson, Kimberly S

A department of or Florida health and brain and spinal, and it promotes our website and we also have backpacks.

0:13:36.770 --> 0:13:40.880

Robinson, Kimberly S

These little drawstring backpacks that come in different colors, the brains are all in different colors.

0:13:40.890 --> 0:13:46.900

Robinson, Kimberly S

So we do have some new promotional items or educational items if we like to call them.

0:13:46.910 --> 0:13:48.240

Robinson, Kimberly S

It's educational items.

0:13:49.270 --> 0:13:58.890

Robinson, Kimberly S

Communication likes it to be called educational, not promotion, so it's easier to get it through communications when you reward it.

0:13:59.170 --> 0:14:2.740

Robinson, Kimberly S

So we do have some new handouts that we're giving.

0:14:3.10 --> 0:14:7.140

Robinson, Kimberly S

Region 5 has an event that's coming up in December.

0:14:7.150 --> 0:14:9.0

Robinson, Kimberly S

Jose, I see you're on the call.

0:14:9.10 --> 0:14:13.530

Robinson, Kimberly S

Can you talk a little bit about what that event is that your team is going to be representing?

0:14:16.530 --> 0:14:17.880

Dubrocq, Jose A

Yes, good afternoon.

0:14:21.790 --> 0:14:22.170

Robinson, Kimberly S

Yes, Sir.

0:14:17.890 --> 0:14:22.720

Dubrocq, Jose A

The one you're talking about, the one that we're coming now for the 27, the spinal cord?

0:14:23.100 --> 0:14:23.450

Robinson, Kimberly S

Yes, Sir.

0:14:22.970 --> 0:14:23.640

Dubrocq, Jose A

Yeah.

0:14:24.30 --> 0:14:26.460

Dubrocq, Jose A

The spinal cord in injury awareness.

0:14:26.470 --> 0:14:29.420

Dubrocq, Jose A

That's gonna be at the LINC Center at Jackson Memorial Hospital.

0:14:29.730 --> 0:14:45.960

Dubrocq, Jose A

And we'll have a table we're planning to bring all provide all information that we can for the Community and hopefully we're gonna see some clients from the program or we're gonna meet another other community resources there.

0:14:46.190 --> 0:14:48.750

Dubrocq, Jose A

We're really excited about participating in that event.

0:14:49.130 --> 0:14:53.340

Dubrocq, Jose A

I've done it, you know, in the previous years, and it has been a success.

0:14:53.350 --> 0:14:56.0

Dubrocq, Jose A

So I'm looking forward to that on the 27th.

0:14:58.870 --> 0:14:59.320

Robinson, Kimberly S

Wonderful.

0:14:59.20 --> 0:14:59.700

Dubrocq, Jose A

Thank you, Kimberly.

0:15:0.810 --> 0:15:1.300

Robinson, Kimberly S

Yes, Sir.

0:15:1.510 --> 0:15:5.420

Robinson, Kimberly S

And I'm gonna see if I can get the backpack here.

0:15:5.430 --> 0:15:12.320

Robinson, Kimberly S

I think I got a backpack here that I can share with you guys, but Beth, I don't see Eve on the call.

0:15:12.650 --> 0:15:17.630

Robinson, Kimberly S

But isn't there an event in Orlando coming up that we're also going to be doing?

0:15:23.760 --> 0:15:25.60

Collins, Valerie B

Sorry, yes.

0:15:24.580 --> 0:15:26.850

Robinson, Rebecca

Is that the one in October PM?

0:15:28.400 --> 0:15:28.540

Collins, Valerie B

Yes.

0:15:28.50 --> 0:15:30.80

Robinson, Kimberly S

It might be October, yes.

0:15:32.180 --> 0:15:35.80

Collins, Valerie B

Yes, it's Becky.

0:15:35.90 --> 0:15:41.690

Collins, Valerie B

You may have more information on I'm I'm filtering through my brain here, but it's a it's a family.

0:15:41.700 --> 0:15:45.600

Collins, Valerie B

It's a fall family event and I think it's in.

0:15:45.610 --> 0:15:52.670

Collins, Valerie B

I'm looking through my email real quick, but the Resource Center has participated in it last year.

0:15:52.680 --> 0:15:57.670

Collins, Valerie B

Maybe the year before and you know, taking out some educational items.

0:15:57.680 --> 0:16:11.680

Collins, Valerie B

And again, all of our documentation about the program, I'm just to kind of get the word out there about the program and anybody that may meet us or you know be able to pass that information along.

0:16:12.900 --> 0:16:18.380

Collins, Valerie B

I'm looking for the name of the organization really quick.

0:16:21.440 --> 0:16:22.990

Robinson, Kimberly S

Here I'll show you guys the bags.

0:16:23.0 --> 0:16:25.90

Robinson, Kimberly S

Well, she's looking for the organization.

0:16:25.180 --> 0:16:30.840

Robinson, Kimberly S

If you can see these, they have little but blurring in a little bit there.

0:16:32.70 --> 0:16:34.290

Robinson, Kimberly S

It got pockets in the front.

0:16:34.590 --> 0:16:36.320

Robinson, Kimberly S

It'll draw strings on the back.

0:16:36.640 --> 0:16:40.140

Robinson, Kimberly S

Make it easy to hook on to the back of wheelchairs and so forth.

0:16:40.150 --> 0:16:41.400

Robinson, Kimberly S

And they we have.

0:16:41.550 --> 0:16:42.220

Robinson, Kimberly S

Excuse me.

0:16:42.230 --> 0:16:43.180

Robinson, Kimberly S

Four different colors.

0:16:43.490 --> 0:16:45.520

Robinson, Kimberly S

Here's one in purple, one in orange.

0:16:45.730 --> 0:16:52.450

Robinson, Kimberly S

We have green and we also have blue, so these were these were a big deal for us to get here because.

0:16:55.30 --> 0:17:1.680

Robinson, Kimberly S

I had to beg to get something really nice like this through our communications up there at at the barrel level.

0:17:2.100 --> 0:17:4.140

Robinson, Kimberly S

And so I make nice nice with Lindsay.

0:17:4.150 --> 0:17:7.340

Robinson, Kimberly S

And Lindsay helps me to get all these nice things for our program.

0:17:9.940 --> 0:17:10.120

Dr. Brian Higdon (Guest)

Yep.

0:17:11.30 --> 0:17:11.430

Robinson, Kimberly S

You have to.

0:17:11.440 --> 0:17:12.740

Robinson, Kimberly S

You have to keep your friends close.

0:17:15.380 --> 0:17:15.590

afe8185b-3590-4b2a-9329-0932982b143b

Hey.

0:17:13.910 --> 0:17:16.720

Dr. Brian Higdon (Guest)

Yep, question this event.

0:17:15.780 --> 0:17:17.500

afe8185b-3590-4b2a-9329-0932982b143b

Yeah, yeah, down.

0:17:18.610 --> 0:17:20.110

Dr. Brian Higdon (Guest)

This is ohh.

0:17:22.70 --> 0:17:22.580
afe8185b-3590-4b2a-9329-0932982b143b
Go ahead.

0:17:22.650 --> 0:17:23.600
afe8185b-3590-4b2a-9329-0932982b143b
I'll I'll ask Esther.

0:17:24.940 --> 0:17:27.660
Dr. Brian Higdon (Guest)
This event that's happening is it September 27th.

0:17:30.330 --> 0:17:30.800
Dr. Brian Higdon (Guest)
In Miami.

0:17:31.460 --> 0:17:31.840
Dubrocq, Jose A
Eat.

0:17:30.10 --> 0:17:32.870
Robinson, Kimberly S
Uh, in my in Miami?

0:17:32.880 --> 0:17:33.40
Robinson, Kimberly S
Yes.

0:17:34.230 --> 0:17:35.110
Robinson, Kimberly S
I'm sorry, Jose.

0:17:32.0 --> 0:17:35.210
Dubrocq, Jose A
Yeah, it's, yes, a demon 27.

0:17:35.800 --> 0:17:37.670
Dubrocq, Jose A
It's gonna be at the LINC Center.

0:17:38.300 --> 0:17:40.30
Dubrocq, Jose A
The new building, yeah.

0:17:36.170 --> 0:17:40.150
Dr. Brian Higdon (Guest)
Ohh not on Wednesday. Yep.

0:17:42.220 --> 0:17:42.970

Dr. Brian Higdon (Guest)

Alright, very good.

0:17:43.10 --> 0:17:43.830

Dr. Brian Higdon (Guest)

I wish it was the weekend.

0:17:43.840 --> 0:17:47.580

Dr. Brian Higdon (Guest)

I might might make a long drive down to Miami before, but can't go in the middle of the week.

0:17:47.100 --> 0:17:47.880

Dubrocq, Jose A

All that would be great.

0:17:51.410 --> 0:17:51.970

Carrie Rayburn

We have.

0:17:50.900 --> 0:17:52.20

Dr. Brian Higdon (Guest)

Can't leave the middle the week, though.

0:17:53.400 --> 0:17:54.390

Carrie Rayburn

Hey, this is Kerry.

0:17:54.400 --> 0:17:57.190

Carrie Rayburn

We have an upcoming event here in Pensacola.

0:17:57.760 --> 0:18:5.980

Carrie Rayburn

We're doing a spinal cord awareness table out of the blue Wahoos game and clay from Biscop is going to be joining our table for that.

0:18:8.730 --> 0:18:14.60

Robinson, Kimberly S

And and when is that I haven't heard, I haven't seen him submit or heard anything about that one.

0:18:14.70 --> 0:18:14.970

Robinson, Kimberly S

When does that one carry?

0:18:15.810 --> 0:18:17.80

Carrie Rayburn

Believe it's the 15th.

0:18:18.480 --> 0:18:19.240

Robinson, Kimberly S
Of September.

0:18:19.920 --> 0:18:26.90

Carrie Rayburn

Umm, I'm not on the planning committee for that so I can reach out and make sure that he's gonna be joining.

0:18:26.360 --> 0:18:27.350

Carrie Rayburn

We were hoping he would.

0:18:29.700 --> 0:18:29.940

Robinson, Kimberly S
OK.

0:18:34.890 --> 0:18:35.70

afe8185b-3590-4b2a-9329-0932982b143b

Yeah.

0:18:35.0 --> 0:18:35.340

Robinson, Kimberly S
Alright.

0:18:35.350 --> 0:18:37.680

Robinson, Kimberly S

Well, we'll follow up with Clay as well.

0:18:39.70 --> 0:18:39.460

Carrie Rayburn

I.

0:18:39.100 --> 0:18:51.920

afe8185b-3590-4b2a-9329-0932982b143b

And then we have our Kim and I failed to get with you from our last meeting to follow up on the November presentation we're doing for the trauma conference here in November.

0:18:53.120 --> 0:18:55.90

Robinson, Kimberly S

Yeah, I still have that on my calendar.

0:18:55.100 --> 0:18:56.210

Robinson, Kimberly S

I haven't forgot about it.

0:18:57.280 --> 0:18:57.970

afe8185b-3590-4b2a-9329-0932982b143b

OK, awesome.

0:18:59.380 --> 0:19:5.130

afe8185b-3590-4b2a-9329-0932982b143b

The other thing I wanted to ask about, I don't I had some issues with teams, so I couldn't see those bags.

0:19:5.140 --> 0:19:6.190

afe8185b-3590-4b2a-9329-0932982b143b

So maybe you can take a picture.

0:19:7.970 --> 0:19:8.730

Robinson, Kimberly S

Ohh, I'm sorry.

0:19:8.400 --> 0:19:9.470

afe8185b-3590-4b2a-9329-0932982b143b

And check it out.

0:19:9.640 --> 0:19:10.710

afe8185b-3590-4b2a-9329-0932982b143b

No, it's not your fault.

0:19:10.720 --> 0:19:37.730

afe8185b-3590-4b2a-9329-0932982b143b

I couldn't get on teams, but I wanted to ask if if we were able to follow up with communications umm about any of the suggested pre-approved library of statements that we were able to, you know, post out on social media and those kinds of things since these gift can't have their own Facebook and Instagram and we need to get approvals and statements and things that go out.

0:19:44.750 --> 0:19:44.990

afe8185b-3590-4b2a-9329-0932982b143b

OK.

0:19:39.0 --> 0:19:48.30

Robinson, Kimberly S

So we have that one page that got approved that you all can always use that that one page like flyer that one was approved.

0:19:48.40 --> 0:19:50.370

Robinson, Kimberly S

But I haven't had anything else to submit to them.

0:19:53.950 --> 0:19:55.940

afe8185b-3590-4b2a-9329-0932982b143b

OK, so we need to create.

0:19:55.950 --> 0:19:58.70

afe8185b-3590-4b2a-9329-0932982b143b

Maybe maybe that can be an agenda item next time.

0:19:58.740 --> 0:19:58.920

Robinson, Kimberly S

Sure.

0:20:0.800 --> 0:20:2.660

Carrie Rayburn

I'm not sure that I received a flyer.

0:20:2.670 --> 0:20:5.70

Carrie Rayburn

Could you send that out so we can see what that looks like, Kim?

0:20:6.330 --> 0:20:6.510

Robinson, Kimberly S

Yeah.

0:20:9.450 --> 0:20:10.950

Robinson, Kimberly S

You want the one page right?

0:20:13.330 --> 0:20:13.490

Robinson, Kimberly S

Yeah.

0:20:12.210 --> 0:20:13.520

Carrie Rayburn

Yeah, it's just whatever.

0:20:13.530 --> 0:20:15.510

Carrie Rayburn

We're we have available now.

0:20:18.480 --> 0:20:18.630

Robinson, Kimberly S

Sure.

0:20:19.100 --> 0:20:22.350

afe8185b-3590-4b2a-9329-0932982b143b

And when is the the family cafe or whatever?

0:20:22.360 --> 0:20:23.80

afe8185b-3590-4b2a-9329-0932982b143b

Did that already occurs?

0:20:24.920 --> 0:20:27.990

Robinson, Kimberly S

Yeah, that the family Cafe was in June.

0:20:29.100 --> 0:20:29.540
afe8185b-3590-4b2a-9329-0932982b143b
OK.

0:20:32.150 --> 0:20:33.330
afe8185b-3590-4b2a-9329-0932982b143b
Was there good attendance there?

0:20:36.170 --> 0:20:38.340
Robinson, Kimberly S
Ohh Beth, you can speak to that.

0:20:38.350 --> 0:20:39.640
Robinson, Kimberly S
That's what that family Cafe.

0:20:41.510 --> 0:20:43.520
Collins, Valerie B
Uh, yeah, it it was.

0:20:43.530 --> 0:20:50.670
Collins, Valerie B
There's always a huge there's just tons of people this year.

0:20:51.250 --> 0:20:54.520
Collins, Valerie B
It does seem like, you know traffic can pick back up.

0:20:54.530 --> 0:20:55.320
Collins, Valerie B
There was.

0:20:55.470 --> 0:20:57.200
Collins, Valerie B
I haven't been the last couple of years.

0:20:57.650 --> 0:21:2.660
Collins, Valerie B
I haven't been since 2019, but this year we had really good attendance we had.

0:21:4.870 --> 0:21:15.930
Collins, Valerie B
Five other people from the program went down a couple of the people that work in Orlando and some of us traveled down for the event and and yeah, we get we gave out so much.

0:21:16.960 --> 0:21:21.50
Collins, Valerie B
Some argumentation you know, information about the program or.

0:21:23.150 --> 0:21:24.730

Collins, Valerie B
Educational items.

0:21:24.740 --> 0:21:26.770

Collins, Valerie B
Everything went really fast.

0:21:26.890 --> 0:21:42.580

Collins, Valerie B
It's always a really successful event and and you know it just got we got a lot of information on ourselves because there's always so many new vendors and other programs and agencies that we can, you know coordinate with while we're there.

0:21:42.590 --> 0:21:43.0

Collins, Valerie B
So it was.

0:21:43.10 --> 0:21:45.90

Collins, Valerie B
It was a really successful event this year.

0:21:46.920 --> 0:21:47.340

afe8185b-3590-4b2a-9329-0932982b143b
Awesome.

0:21:47.350 --> 0:21:49.230

afe8185b-3590-4b2a-9329-0932982b143b
Do we know the dates for next year already?

0:21:52.900 --> 0:21:53.400

Robinson, Kimberly S
Maybe.

0:21:52.620 --> 0:21:54.840

Collins, Valerie B
Uh, they still an email out?

0:21:54.850 --> 0:21:55.750

Collins, Valerie B
Yeah.

0:21:55.760 --> 0:21:57.0

Collins, Valerie B
Let me look real quick.

0:21:57.140 --> 0:22:1.310

Collins, Valerie B
Let me the other event I was talking about really quick before I go out of this email.

0:22:1.850 --> 0:22:4.10

Collins, Valerie B

It is a event.

0:22:4.20 --> 0:22:7.850

Collins, Valerie B

It's down in region 2 and I still don't know.

0:22:7.860 --> 0:22:8.780

Collins, Valerie B

It's in DeLand.

0:22:8.820 --> 0:22:9.270

Collins, Valerie B

I'm sorry.

0:22:9.280 --> 0:22:16.690

Collins, Valerie B

3rd annual fall Family Fun Day and do and and I think that's a Saturday.

0:22:16.820 --> 0:22:17.630

Collins, Valerie B

I'm not mistaken.

0:22:17.640 --> 0:22:18.470

Collins, Valerie B

Saturday.

0:22:18.480 --> 0:22:19.830

Collins, Valerie B

Yeah, October 28th.

0:22:21.700 --> 0:22:22.550

Collins, Valerie B

Anybody's in that area.

0:22:22.560 --> 0:22:29.300

Collins, Valerie B

Area that basket will be there or the Resource Center and probably some of our case managers from region 2.

0:22:30.670 --> 0:22:32.860

Collins, Valerie B

Uh, let me look up and like, halfway too.

0:22:32.870 --> 0:22:33.130

Collins, Valerie B

Hold on.

0:22:42.80 --> 0:22:43.730

Robinson, Kimberly S

Becky, you had your hand up.

0:22:43.820 --> 0:22:45.480

Robinson, Kimberly S

Well, Beth is looking for family Cafe.

0:22:47.570 --> 0:22:57.10

Robinson, Rebecca

That I found the website that Eric had designed and I will share it with everyone.

0:22:57.20 --> 0:22:58.260

Robinson, Rebecca

Tell me if you can see it again.

0:23:3.540 --> 0:23:3.880

Robinson, Kimberly S

Yeah.

0:23:6.730 --> 0:23:7.150

Robinson, Kimberly S

There it is.

0:23:16.10 --> 0:23:18.450

Robinson, Kimberly S

But all I see is A and.

0:23:5.240 --> 0:23:18.740

Robinson, Rebecca

OK, this is just forget about this top part up here, but this is where we're gonna put like the little graphic designs of spinal cord injured, brain, injured caregiver, all I see is.

0:23:16.810 --> 0:23:20.360

Dr. Brian Higdon (Guest)

If you were looking at a word and.

0:23:19.390 --> 0:23:20.490

Robinson, Kimberly S

It's a Word document.

0:23:21.960 --> 0:23:22.900

Robinson, Rebecca

You can't see the picture.

0:23:23.790 --> 0:23:24.500

Robinson, Kimberly S

No, no.

0:23:24.690 --> 0:23:28.490

Robinson, Kimberly S

You have completed a layout template for our Web website design.

0:23:29.910 --> 0:23:30.970

Robinson, Kimberly S

It's a Word document.

0:23:30.40 --> 0:23:32.30

Robinson, Rebecca

OK, I got it on the wrong screen.

0:23:34.430 --> 0:23:35.450

Robinson, Rebecca

Now can you see it?

0:23:38.310 --> 0:23:41.790

Robinson, Kimberly S

Umm, Nope, not yet.

0:23:41.840 --> 0:23:42.930

Robinson, Kimberly S

Ohh Yep, now we can.

0:23:43.510 --> 0:23:55.440

Robinson, Rebecca

OK, now this top part we're still working on because I, you know, we'll probably have the DH logo up there and maybe some pictures of brain and spinal cord individuals.

0:23:55.710 --> 0:24:6.320

Robinson, Rebecca

And I would really like to have and I know we don't have one now, Kim, but I would love for BFC IP to create a logo for Brandon Spinal Cord Injury program.

0:24:6.330 --> 0:24:13.740

Robinson, Rebecca

I know when they were under FCRC they had a logo, but I don't want to use theirs.

0:24:12.330 --> 0:24:14.50

Robinson, Kimberly S

Yeah, we have to use.

0:24:13.790 --> 0:24:15.250

Robinson, Rebecca

I would like us to have our own.

0:24:21.80 --> 0:24:21.360

Robinson, Rebecca

OK.

0:24:14.90 --> 0:24:26.10

Robinson, Kimberly S

We we we'll have to talk about that offline right now in the branding that the department has, we have to use the Department of Health branding.

0:24:26.100 --> 0:24:30.630

Robinson, Kimberly S

We have to follow their branding guide and so be skip doesn't have their own logo.

0:24:28.810 --> 0:24:31.200

Robinson, Rebecca

Well, I, I mean we would have theirs on there.

0:24:31.490 --> 0:24:33.560

Robinson, Rebecca

We can't have our own too as well as theirs.

0:24:35.160 --> 0:24:35.430

Robinson, Rebecca

OK.

0:24:35.440 --> 0:24:36.270

Robinson, Rebecca

We'll talk about it later.

0:24:34.820 --> 0:24:36.830

Robinson, Kimberly S

Would have to go through to me in the.

0:24:37.420 --> 0:24:41.60

Robinson, Kimberly S

Yeah, I would have to go through communications and see if they would allow that again.

0:24:42.70 --> 0:24:42.490

Robinson, Rebecca

OK.

0:24:43.530 --> 0:24:43.930

Robinson, Rebecca

Umm.

0:24:43.990 --> 0:24:47.420

Robinson, Rebecca

And then these right here is where we wanna put the little graphics of.

0:24:47.430 --> 0:24:53.840

Robinson, Rebecca

Like brain injured spinal cord, I I am a caregiver or I'm a professional and have little symbols there for that.

0:24:54.270 --> 0:25:1.440

Robinson, Rebecca

And then we'll have our other resources down here and then contact us if they wanna be added to our resource directory.

0:25:1.730 --> 0:25:16.570

Robinson, Rebecca

And then of course, we'll have the main drop downs up here at the top, so it this is not the right colors or anything, but it's just gives you an idea where we're headed and hopefully I'll have a better picture for you the next time we meet.

0:25:20.420 --> 0:25:28.420

Robinson, Kimberly S

Ryan, you have your hand up and Ryan is a guest on our meeting today and he is from the South Florida chapter of the spinal Cord Injury Support Group.

0:25:31.750 --> 0:25:32.400

Ryan

Yes, thank you.

0:25:32.410 --> 0:25:33.500

Ryan

Greetings everyone.

0:25:33.570 --> 0:26:1.290

Ryan

Wanted couple questions if there were any PCI vacancies I didn't notice I got cut off and that in the year about the two appointments, but that question then the other second question was that we there's the abilities Expo that will be in the Fort Lauderdale County Convention Center October 13th through 15th and that's the BSP was going to be attending that.

0:26:3.700 --> 0:26:4.780

Robinson, Kimberly S

The sports abilities.

0:26:6.40 --> 0:26:7.530

Ryan

Now, abilities Expo.

0:26:8.100 --> 0:26:9.390

Ryan

Let's put on all over the country.

0:26:9.240 --> 0:26:10.430

Robinson, Rebecca

Our abilities X file.

0:26:8.400 --> 0:26:11.710

Robinson, Kimberly S

Ohh, just abilities Expo, OK?

0:26:14.510 --> 0:26:16.950

Robinson, Kimberly S

And when you said that was in October as well?

0:26:17.730 --> 0:26:18.240

Ryan

That's correct.

0:26:18.250 --> 0:26:20.570

Ryan

The 13th through 15th, Friday through Sunday.

0:26:21.540 --> 0:26:21.840

Robinson, Kimberly S

OK.

0:26:26.80 --> 0:26:30.370

Robinson, Kimberly S

I'll have to see if we have any teams that are going to that one good information.

0:26:30.380 --> 0:26:30.770

Robinson, Kimberly S

Thank you.

0:26:34.630 --> 0:26:35.750

Ryan

Now, is there any rapid?

0:26:35.20 --> 0:26:36.10

Robinson, Rebecca

And where is it Kim?

0:26:37.30 --> 0:26:39.110

Ryan

I'm sure it's a Broward County Convention Center.

0:26:40.510 --> 0:26:40.810

Robinson, Rebecca

OK.

0:26:52.170 --> 0:26:56.870

Jennifer Lannon

He also asked if there was any, if there's a vacancy for SEIU patient or caregiver.

0:26:56.560 --> 0:26:59.600

Robinson, Kimberly S
Uh for spinal cord?

0:26:59.610 --> 0:27:0.720

Robinson, Kimberly S
I don't think so.

0:27:0.730 --> 0:27:6.210

Robinson, Kimberly S
I think our vacancy that we have is for TBI Survivor or Family member.

0:27:9.720 --> 0:27:10.840

Robinson, Kimberly S
I believe that's the vacancy.

0:27:15.290 --> 0:27:17.940

Robinson, Kimberly S
But Ryan, if you want to email me.

0:27:20.250 --> 0:27:23.870

Robinson, Kimberly S
I can look that up and confirm the information for you.

0:27:25.690 --> 0:27:26.500

Ryan
OK, perfect.

0:27:26.510 --> 0:27:26.790

Ryan
Thank you.

0:27:27.590 --> 0:27:28.170

Robinson, Kimberly S
You're welcome.

0:27:34.680 --> 0:27:34.880

Robinson, Kimberly S
OK.

0:27:35.560 --> 0:27:36.40

Robinson, Kimberly S
Uh.

0:27:36.200 --> 0:27:40.160

Robinson, Kimberly S
Any other suggestions or ideas for public awareness?

0:27:44.340 --> 0:27:47.80

Robinson, Kimberly S

Becky, you're still sharing your screen, just so you know.

0:27:51.20 --> 0:27:52.90

Carrie Rayburn

Hey, Kim, it's Kerry.

0:27:52.100 --> 0:27:54.110

Carrie Rayburn

I have a question brain injury.

0:28:8.540 --> 0:28:8.740

Robinson, Kimberly S

No.

0:27:54.120 --> 0:28:9.670

Carrie Rayburn

Florida just created a website, and so I was wondering if there were any restrictions about us having a link to the resource that BISKIT provides on brain injury Florida as website, does that have to be approved?

0:28:12.280 --> 0:28:12.520

Carrie Rayburn

OK.

0:28:9.600 --> 0:28:15.980

Robinson, Kimberly S

I no no, because our Resource Center is public information.

0:28:16.870 --> 0:28:17.490

Carrie Rayburn

OK, great.

0:28:16.330 --> 0:28:19.820

Robinson, Kimberly S

You can add that to yours and we would be very grateful for that.

0:28:20.800 --> 0:28:21.540

Carrie Rayburn

OK, great.

0:28:21.550 --> 0:28:27.50

Carrie Rayburn

And then Becky, I might send you an email with our information just because our website is new.

0:28:27.60 --> 0:28:33.370

Carrie Rayburn

So that way I can make sure you have the all the correct brain injury, Florida information for your resource list.

0:28:34.460 --> 0:28:35.340

Robinson, Rebecca

Thanks a lot, Gary.

0:28:35.350 --> 0:28:36.100

Robinson, Rebecca

I appreciate it.

0:28:36.790 --> 0:28:37.610

Carrie Rayburn

Yeah, I think you guys.

0:28:41.310 --> 0:28:49.410

Collins, Valerie B

Hey, Tim, I've had the dates and the chat for next year's Family Cafe H June 24th through.

0:28:49.630 --> 0:28:52.30

Collins, Valerie B

Sorry, June 16th through.

0:28:52.960 --> 0:28:58.590

Collins, Valerie B

I'm going to get it together June 14th through the 16th, 2024 at the Hyatt Regency Orlando.

0:28:58.600 --> 0:29:2.860

Collins, Valerie B

And it's in the chat where anybody that wants to read it rather than listen to me.

0:29:4.900 --> 0:29:5.320

Robinson, Kimberly S

Thank you.

0:29:7.50 --> 0:29:7.400

Dr. Brian Higdon (Guest)

Umm.

0:29:9.80 --> 0:29:14.40

Dr. Brian Higdon (Guest)

And I think I emailed about this, but I guess it's worth mentioning on on during this meeting.

0:29:14.690 --> 0:29:16.210

Dr. Brian Higdon (Guest)

Umm, a couple.

0:29:16.220 --> 0:29:23.50

Dr. Brian Higdon (Guest)

Like professional for education for Community awareness on the on the provider side, there's a Florida neuroscience.

0:29:23.440 --> 0:29:25.730

Dr. Brian Higdon (Guest)

Uh conference happens once a year.

0:29:26.850 --> 0:29:36.440

Dr. Brian Higdon (Guest)

UM, and then the there's a Florida physical mass and rehabilitation society conference that happens once a year and the next one for the Florida State.

0:29:36.450 --> 0:29:39.140

Dr. Brian Higdon (Guest)

PMR is in March of next year.

0:29:39.230 --> 0:29:41.410

Dr. Brian Higdon (Guest)

Here UMI don't.

0:29:41.650 --> 0:29:46.260

Dr. Brian Higdon (Guest)

I'm not a member of the of the neurosurgeon one, so I don't know more.

0:29:46.310 --> 0:29:47.80

Dr. Brian Higdon (Guest)

Any details on that?

0:29:49.190 --> 0:29:54.730

Robinson, Kimberly S

I think you have mentioned that I do recall that and I believe I have that written down to follow up on.

0:29:55.470 --> 0:29:59.880

Dr. Brian Higdon (Guest)

OK, maybe it's in the Advisory Council session or something because.

0:30:0.160 --> 0:30:1.110

Robinson, Kimberly S

I believe it was.

0:30:1.400 --> 0:30:2.200

Dr. Brian Higdon (Guest)

Yeah, OK.

0:30:1.120 --> 0:30:2.590

Robinson, Kimberly S

I think it was brought up in April.

0:30:3.700 --> 0:30:3.940

Dr. Brian Higdon (Guest)

OK.

0:30:4.690 --> 0:30:5.890

Dr. Brian Higdon (Guest)

And just haven't seen none the minute.

0:30:5.900 --> 0:30:6.330

Dr. Brian Higdon (Guest)

So I didn't know.

0:30:7.70 --> 0:30:7.660

Dr. Brian Higdon (Guest)

Alright, thank you.

0:30:8.470 --> 0:30:9.100

Robinson, Kimberly S

You're welcome.

0:30:9.110 --> 0:30:9.490

Robinson, Kimberly S

Thank you.

0:30:12.570 --> 0:30:17.900

Robinson, Kimberly S

Is there any other new business or recommendations that we wanna bring up today?

0:30:27.880 --> 0:30:31.400

Robinson, Kimberly S

OK, I am the last agenda item I have on here.

0:30:31.410 --> 0:30:39.310

Robinson, Kimberly S

It's just a more of a reminder and Caitlin will be sending, umm a calendar event out.

0:30:39.380 --> 0:30:52.90

Robinson, Kimberly S

We can't post it out on the the Florida administration until about a week in advance, but Becky did the survey for our next biannual Council meeting.

0:30:52.180 --> 0:30:53.670

Robinson, Kimberly S

We have two every year.

0:30:53.760 --> 0:30:59.470

Robinson, Kimberly S

The next one is going to be scheduled for Thursday, October 19th, from 1:00 to 4:00.

0:30:59.800 --> 0:31:16.960

Robinson, Kimberly S

That is going to be a virtual meeting that will be held via teams are face to face meeting will be sometime in May is when we'll have our big face to face meeting this meeting October because every other month we're doing our pack meetings and our PSQI meetings.

0:31:17.150 --> 0:31:19.310

Robinson, Kimberly S

I'm not gonna have the committee meetings in the morning.

0:31:20.280 --> 0:31:26.410

Robinson, Kimberly S

We're just gonna have our our annual or biannual meeting in the afternoon from 1:00 to 4:00.

0:31:26.480 --> 0:31:30.20

Robinson, Kimberly S

Doctor Higdon, I will be getting with you to start working on that agenda.

0:31:34.600 --> 0:31:35.300

Dr. Brian Higdon (Guest)

What's the date again?

0:31:36.390 --> 0:31:37.570

Robinson, Kimberly S

October 19th.

0:31:38.400 --> 0:31:38.640

Dr. Brian Higdon (Guest)

OK.

0:31:40.150 --> 0:31:42.280

Robinson, Kimberly S

We remembered that you were gonna be out of town.

0:31:42.730 --> 0:31:43.260

Dr. Brian Higdon (Guest)

Yeah.

0:31:43.310 --> 0:31:44.400

Dr. Brian Higdon (Guest)

You wanna work alright?

0:31:42.290 --> 0:31:46.70

Robinson, Kimberly S

I think from the 13th to the 16th there's something like that.

0:31:46.740 --> 0:31:47.370

Dr. Brian Higdon (Guest)

Yeah, exactly.

0:31:47.380 --> 0:31:48.420

Dr. Brian Higdon (Guest)
So this works well. Yep.

0:31:49.40 --> 0:31:49.260

Robinson, Kimberly S
OK.

0:31:51.410 --> 0:31:55.150

Robinson, Kimberly S
So and that was the results from the survey that Becky sent out.

0:31:54.930 --> 0:31:57.310

Dr. Brian Higdon (Guest)
Umm Yep.

0:31:58.240 --> 0:32:1.910

Robinson, Kimberly S
So we can just kind of keep that in the tucked up our sleeve there.

0:32:2.0 --> 0:32:14.460

Robinson, Kimberly S
Caitlin will be sending out umm a calendar event and Caitlin is going to be going out on maternity leave pretty soon, so I wanna congratulate her.

0:32:14.470 --> 0:32:16.0

Robinson, Kimberly S
She's actually having twins.

0:32:16.90 --> 0:32:16.760

Robinson, Kimberly S
Yay.

0:32:17.380 --> 0:32:17.820

afe8185b-3590-4b2a-9329-0932982b143b
Wow.

0:32:16.770 --> 0:32:18.0

Robinson, Kimberly S
Good for Caitlin, twin girl.

0:32:16.600 --> 0:32:19.90

Dr. Brian Higdon (Guest)
Uh umm?

0:32:21.10 --> 0:32:23.100

Robinson, Kimberly S
So uh.

0:32:23.390 --> 0:32:32.100

Robinson, Kimberly S

So I'll I'll be taking over some of her duties while she's gone, but all will be OK with that in the the committee committees will keep rolling in.

0:32:32.110 --> 0:32:41.930

Robinson, Kimberly S

Our Council will keep rolling, and so I'll be pulling in some resources to help me, along with all of that, but just so you all know and.

0:32:41.130 --> 0:32:45.700

afe8185b-3590-4b2a-9329-0932982b143b

Umm still can I ask one more question?

0:32:44.230 --> 0:32:46.610

Robinson, Kimberly S

Yes, of.

0:32:45.710 --> 0:32:46.720

afe8185b-3590-4b2a-9329-0932982b143b

Are we able to?

0:32:56.100 --> 0:32:56.240

Robinson, Kimberly S

Yes.

0:32:46.770 --> 0:32:58.640

afe8185b-3590-4b2a-9329-0932982b143b

We talked a little bit, I think at our last not this meeting, but the other group meeting about sending out kind of just a placeholder on the calendar, umm, we know we know it can't be posted out.

0:32:58.650 --> 0:33:4.0

afe8185b-3590-4b2a-9329-0932982b143b

So I was hoping we could kind of get this rest of the year on the placeholder on there.

0:33:5.640 --> 0:33:6.400

Robinson, Kimberly S

I think Kate.

0:33:6.410 --> 0:33:7.990

Robinson, Kimberly S

Caitlin, didn't you already do that?

0:33:8.280 --> 0:33:9.830

Robinson, Kimberly S

Aren't they marked as tentative?

0:33:8.350 --> 0:33:9.840

Speaker 1

Yes, they should already be.

0:33:10.350 --> 0:33:16.500

Speaker 1

Yeah, we, we scheduled every I think Thursday of the month as a tentative date just to have it held on rules calendar.

0:33:17.240 --> 0:33:18.330

afe8185b-3590-4b2a-9329-0932982b143b

The first OK.

0:33:16.730 --> 0:33:19.150

Speaker 1

If you don't have that, I can make sure that you're on it.

0:33:20.410 --> 0:33:21.60

afe8185b-3590-4b2a-9329-0932982b143b

Perfect.

0:33:21.70 --> 0:33:23.460

afe8185b-3590-4b2a-9329-0932982b143b

Yeah, I I can see those now.

0:33:23.470 --> 0:33:23.900

afe8185b-3590-4b2a-9329-0932982b143b

I was.

0:33:23.990 --> 0:33:27.150

afe8185b-3590-4b2a-9329-0932982b143b

I should have specified for the October time frame.

0:33:29.740 --> 0:33:29.860

Speaker 1

Yes.

0:33:30.90 --> 0:33:30.170

Robinson, Kimberly S

Yes.

0:33:27.160 --> 0:33:30.420

afe8185b-3590-4b2a-9329-0932982b143b

Maybe we could get the one to four put as a placeholder.

0:33:31.650 --> 0:33:31.870

afe8185b-3590-4b2a-9329-0932982b143b

OK.

0:33:32.710 --> 0:33:32.910

Robinson, Kimberly S

Yeah.

0:33:33.130 --> 0:33:33.550

afe8185b-3590-4b2a-9329-0932982b143b

Thank you.

0:33:30.920 --> 0:33:34.210

Speaker 1

Yes, I'll send that out today. Mm-hmm.

0:33:37.70 --> 0:33:38.340

Robinson, Kimberly S

Thank you for asking Jill.

0:33:38.650 --> 0:33:39.490

Robinson, Kimberly S

Thank you for asking.

0:33:40.290 --> 0:33:40.940

Robinson, Kimberly S

OK.

0:33:41.50 --> 0:33:41.600

Robinson, Kimberly S

Any.

0:33:41.650 --> 0:33:49.520

Robinson, Kimberly S

Anything else anybody needs to phone, ask about new items, new business, old business?

0:33:51.50 --> 0:33:52.260

Robinson, Kimberly S

Random questions.

0:33:52.360 --> 0:33:53.210

Robinson, Kimberly S

Random ideas?

0:33:54.690 --> 0:34:0.160

Carrie Rayburn

When you guys send out the placeholder, will you be sending an agenda for the October meeting as well?

0:34:0.170 --> 0:34:2.170

Carrie Rayburn

Do we know when to expect that?

0:34:6.480 --> 0:34:6.820

Carrie Rayburn
OK.

0:34:1.510 --> 0:34:12.600

Robinson, Kimberly S

At yeah, that I will have to get with Doctor Higdon and we'll start working on that agenda item as he is your chair for the program.

0:34:12.610 --> 0:34:17.260

Robinson, Kimberly S

He is your chair and still is your Co chair for the for the Council.

0:34:17.270 --> 0:34:22.170

Robinson, Kimberly S

I'm sorry for the Council, so I will be working with Doctor Higdon on that agenda.

0:34:23.60 --> 0:34:23.680

Carrie Rayburn
OK, great.

0:34:25.180 --> 0:34:37.960

Robinson, Kimberly S

If anybody has something specific that you wanna add to that, I would email the Council as a whole and just put your recommendation out there on any topic that you would like to discuss or bring up.

0:34:46.470 --> 0:34:47.680

Robinson, Kimberly S

If we don't have any.

0:34:47.990 --> 0:34:50.470

Robinson, Kimberly S

Ohh sure, yeah.

0:34:45.980 --> 0:34:50.710

Ryan

Ask a question in regard to mentoring the mentoring program and the update.

0:34:50.720 --> 0:34:51.580

Ryan

Some mentoring program.

0:34:52.970 --> 0:34:55.230

Robinson, Kimberly S

Uh, Becky, you wanna talk to that one?

0:34:58.270 --> 0:34:58.970

Robinson, Rebecca

Question I'm sorry.

0:35:6.590 --> 0:35:6.750

Robinson, Rebecca

Uh.

0:35:6.920 --> 0:35:7.910

Robinson, Rebecca

Play I.

0:35:0.820 --> 0:35:8.710

Robinson, Kimberly S

Ryan is asking about where we are with our peer mentoring program, how many peer mentors do we have?

0:35:9.870 --> 0:35:14.120

Robinson, Rebecca

OK currently I have one trained peer mentor.

0:35:14.790 --> 0:35:23.140

Robinson, Rebecca

I have two more that are approved through the process and ready for training and I have four.

0:35:23.150 --> 0:35:23.920

Robinson, Rebecca

I believe it's four.

0:35:23.930 --> 0:35:27.230

Robinson, Rebecca

Is that correct, Caitlin, that have that are going through to HR?

0:35:27.840 --> 0:35:28.410

Speaker 1

Yes, Sir.

0:35:28.420 --> 0:35:29.540

Speaker 1

In the process with HR.

0:35:29.750 --> 0:35:30.370

Robinson, Rebecca

OK.

0:35:30.410 --> 0:35:40.680

Robinson, Rebecca

So that'll give me six more that once they get through the HR process, then I can train all six of them and then I'll have seven people.

0:35:40.990 --> 0:35:43.640

Robinson, Rebecca

And I currently have a couple more people.

0:35:43.650 --> 0:35:49.110

Robinson, Rebecca

I just received another application today that I'm getting ready to send a Caitlin this afternoon.

0:35:49.440 --> 0:36:0.500

Robinson, Rebecca

So they keep coming in, and fortunately they're all spinal cord injury because our manual that Justin had done is geared towards spinal cord injury.

0:36:1.240 --> 0:36:6.650

Robinson, Rebecca

We don't really have what we have one developed, but it's it's in the process.

0:36:9.120 --> 0:36:10.60

Robinson, Rebecca

Of going through.

0:36:8.770 --> 0:36:20.900

afe8185b-3590-4b2a-9329-0932982b143b

So when do we anticipate, you know, being able to I guess advertise it or you know launch it to the public if they if they need measuring?

0:36:23.630 --> 0:36:24.600

afe8185b-3590-4b2a-9329-0932982b143b

Our paired up with a mentor.

0:36:26.940 --> 0:36:28.870

Robinson, Kimberly S

Well, we have one on board right now.

0:36:28.880 --> 0:36:36.270

Robinson, Kimberly S

So we are putting out Flyers and looking for recommendations for anybody that would like to become a mentor.

0:36:36.280 --> 0:36:39.470

Robinson, Kimberly S

Becky has a flyer and information on that.

0:36:41.170 --> 0:36:41.420

afe8185b-3590-4b2a-9329-0932982b143b

Ohh.

0:36:39.480 --> 0:36:44.870

Robinson, Kimberly S

Specifically, if there's somebody who would like to be a mentor, we do hand those out.

0:36:45.180 --> 0:36:54.710

Robinson, Kimberly S

And then for our mentor program, we do have those, those that information available right now, we only have one mentor.

0:36:55.80 --> 0:37:0.350

Robinson, Kimberly S

So I don't wanna get a whole flew of people who want mentors, and I only have one.

0:37:1.190 --> 0:37:1.490

afe8185b-3590-4b2a-9329-0932982b143b

Right.

0:37:0.680 --> 0:37:4.550

Robinson, Kimberly S

Not that that person can't mentor more than one person.

0:37:4.560 --> 0:37:7.160

Robinson, Kimberly S

They they could possibly do that.

0:37:9.670 --> 0:37:10.760

afe8185b-3590-4b2a-9329-0932982b143b

Yeah, I.

0:37:9.880 --> 0:37:14.640

Robinson, Kimberly S

Getting mentors is where some of our struggle is is getting them and then onboarding.

0:37:15.940 --> 0:37:16.320

afe8185b-3590-4b2a-9329-0932982b143b

Sure.

0:37:16.330 --> 0:37:23.950

afe8185b-3590-4b2a-9329-0932982b143b

I just didn't know if there was a tentative date when there orientation will be complete so that we you know then can kind of get the flyer out there.

0:37:25.30 --> 0:37:27.830

Robinson, Kimberly S

So, Becky, don't you have a date already?

0:37:27.840 --> 0:37:31.50

Robinson, Kimberly S

Kind of set for your next training session for at least two of them.

0:37:30.790 --> 0:37:31.960

Robinson, Rebecca

Well, I was.

0:37:32.50 --> 0:37:38.140

Robinson, Rebecca

I was hoping for the mid September, but I don't think that's gonna happen because I haven't heard anything from HR yet.

0:37:39.400 --> 0:37:39.700

Robinson, Kimberly S

OK.

0:37:39.40 --> 0:37:55.380

Robinson, Rebecca

So I kind of I'm kind of at a standstill until I hear back from HR that everything has gone through, that they've gone through all the process fingerprinting, background screening and then they have to do the HIPPA training before I can provide them with the peer mentor training.

0:37:56.840 --> 0:37:59.630

Robinson, Rebecca

So and just.

0:37:58.70 --> 0:38:0.110

Ryan

That's the current process right now to become a mentor.

0:38:2.160 --> 0:38:3.630

Robinson, Kimberly S

Yes, and right now.

0:38:3.640 --> 0:38:14.700

Robinson, Kimberly S

So the peer mentor program that we have, we're we're really only promoting that just for our clients that we currently have because we're not ready to gear it out to the public.

0:38:16.140 --> 0:38:21.670

Robinson, Kimberly S

So we're we're gearing it for our clients that are currently either in service or.

0:38:21.790 --> 0:38:32.730

Robinson, Kimberly S

Who have been in service because we we aren't big enough to gear it out to the whole public yet it's kind of like our pre screening instrument that it's gonna be added to the website.

0:38:32.800 --> 0:38:33.650

Robinson, Kimberly S

We have it ready.

0:38:34.720 --> 0:38:47.250

Robinson, Kimberly S

Uh, we're gonna be putting it in with the new website so that when people go to the Resource Center, it helps to pre qualify to identify folks who will be eligible for our program.

0:38:47.260 --> 0:38:52.430

Robinson, Kimberly S

And if they're not, it's gonna redirect them back to the Resource Center for additional information.

0:38:52.880 --> 0:38:57.120

Robinson, Kimberly S

If it looks like they're eligible, then it will redirect them to central registry.

0:38:57.180 --> 0:38:58.720

Robinson, Kimberly S

It's kinda on that same level.

0:39:0.540 --> 0:39:0.840

Ryan

OK.

0:39:2.110 --> 0:39:2.430

Ryan

Thank you.

0:39:4.380 --> 0:39:5.370

Robinson, Kimberly S

Thank you for asking.

0:39:4.700 --> 0:39:6.50

Robinson, Rebecca

But now Pam?

0:39:6.120 --> 0:39:15.0

Robinson, Rebecca

We asked that when we sent the paramenter Flyers out to the regions, I thought we asked them the case managers to get them out to the facilities.

0:39:16.80 --> 0:39:20.870

Robinson, Rebecca

So, Jill, have you not gotten any at your facility?

0:39:22.490 --> 0:39:23.460

afe8185b-3590-4b2a-9329-0932982b143b

I haven't seen any.

0:39:25.60 --> 0:39:25.380

Robinson, Rebecca

OK.

0:39:25.0 --> 0:39:25.400

Robinson, Kimberly S

OK.

0:39:25.50 --> 0:39:25.740

Carrie Rayburn
I have an email.

0:39:30.890 --> 0:39:31.120

Robinson, Kimberly S
OK.

0:39:31.130 --> 0:39:32.480

Robinson, Kimberly S
Well, let us follow up.

0:39:32.490 --> 0:39:38.100

Robinson, Kimberly S
Let me follow up with Beth and Becky on that and make sure we're all on the same page here.

0:39:40.180 --> 0:39:40.340

Robinson, Rebecca
Yeah.

0:39:39.580 --> 0:39:40.800

afe8185b-3590-4b2a-9329-0932982b143b
OK, sounds good.

0:39:41.650 --> 0:39:43.120

Robinson, Kimberly S
But good question though.

0:39:43.130 --> 0:39:43.980

Robinson, Kimberly S
Thank you for asking.

0:39:50.930 --> 0:39:52.600

Robinson, Kimberly S
Brian, did you have another question?

0:39:52.610 --> 0:39:53.820

Robinson, Kimberly S
I see your hand is still up.

0:39:55.940 --> 0:39:56.370

Ryan
Sorry, no.

0:39:55.820 --> 0:39:56.670

Robinson, Kimberly S
OK.

0:39:57.240 --> 0:39:58.290

Robinson, Kimberly S

No, that's alright.

0:39:58.360 --> 0:39:59.340

Robinson, Kimberly S

I do that all the time.

0:40:0.660 --> 0:40:7.780

Robinson, Kimberly S

It's OK, alright, if there's nothing more then do I hear a motion to adjourn?

0:40:10.30 --> 0:40:10.330

Dr. Brian Higdon (Guest)

Motion.

0:40:11.740 --> 0:40:12.470

Robinson, Kimberly S

Do I have a second?

0:40:15.180 --> 0:40:15.740

Carrie Rayburn

2nd.

0:40:15.810 --> 0:40:16.210

Jennifer Lannon

2nd.

0:40:16.470 --> 0:40:17.490

Robinson, Kimberly S

OK, all in favor.

0:40:19.510 --> 0:40:19.690

Carrie Rayburn

Hi.

0:40:20.0 --> 0:40:20.160

Dr. Brian Higdon (Guest)

I.

0:40:21.190 --> 0:40:22.190

Robinson, Kimberly S

Alright so.

0:40:24.140 --> 0:40:25.870

Robinson, Kimberly S

Uh, the meeting is adjourned.

0:40:26.440 --> 0:40:33.920

Robinson, Kimberly S

Anybody has any questions, always feel free to reach out and email and ask away, but thank you all for your time today.

0:40:33.930 --> 0:40:34.940

Robinson, Kimberly S

I greatly appreciate it.

0:40:35.890 --> 0:40:36.470

Carrie Rayburn

Thank you.

0:40:37.830 --> 0:40:38.50

Robinson, Kimberly S

Bye bye.

0:40:37.830 --> 0:40:38.100

Jennifer Lannon

Uh.

0:40:43.120 --> 0:40:43.600

Ryan

Hi, Kim.
