

ADAP SAME DAY

The ADAP SAME DAY program helps you get urgent medications fast.
The ADAP SAME DAY card can be used at more than 68,000 participating stores.

USE your ADAP SAME DAY card:

- For prescriptions from urgent care or the emergency room.
- When you have been told to start a medication by the next day.
- When you must stop one medication and start a different one by the next day.
- For vaccines at a participating pharmacy (call your location - not all stores provide vaccines).

ADAP SAME DAY

DO NOT USE your ADAP SAME DAY card:

- To refill your everyday medications.
- To fill or refill medications for HIV or hepatitis C treatment.
