STATE OF FLORIDA
BOARD OF NURSING

IN RE: THE PETITION
FOR DECLARATORY
STATEMENT OF
WALTER LAMPETER

FINAL ORDER

THIS CAUSE came before the BOARD OF NURSING (hereinafter Board) pursuant to §120.565, Florida Statutes, and Rule 28-105, Florida Administrative Code, at a duly-noticed meeting in West Palm Beach, Florida on August 3, 2017, for the purpose of considering the Petition for Declaratory Statement (attached as Exhibit A) filed by WALTER LAMPETER (hereinafter Petitioner). Having considered the petition, the arguments submitted by counsel for Petitioner, and being otherwise fully advised in the premises, the Board makes the following findings and conclusions.

FINDINGS OF FACT

1. This petition was noticed by the Board in Vol. 43, No. 126, dated June 28, 2017 of the Florida Administrative Register .
2. Petitioner is registered nurse licensed to practice nursing in the State of Florida.
3. Petitioner inquires whether he can inject dermal fillers and botulinum toxin for aesthetic purposes.
4. Petitioner states he will be under the supervision of a physician, but does not define the level of supervision.

5. Petitioner has a Certificate of Attendance for completion of an Advanced BOTOX® Cosmetic Instructional Course sponsored by Aesthetic Advancements, received in 2006.

6. Petitioner has a certificate of completion of a course in Galderma Aesthetic and Corrective Product Training, received in 2016.

7. While not cited in the petition, Section 464.003(2), Florida Administrative Code, sets forth the scope of practice for registered nurses in Florida as follows:

(a) The observation, assessment, nursing diagnosis, planning, intervention, and evaluation of care; health teaching and counseling of the ill, injured, or infirm; and the promotion of wellness, maintenance of health, and prevention of illness of others.

(b) The administration of medications and treatments as prescribed or authorized by a duly licensed practitioner authorized by the laws of this state to prescribe such medications and treatments.

(c) The supervision and teaching of other personnel in the theory and performance of any of the acts described in this subsection.

8. The scope of practice for registered nurses in Florida does not include aesthetic injections.

CONCLUSIONS OF LAW

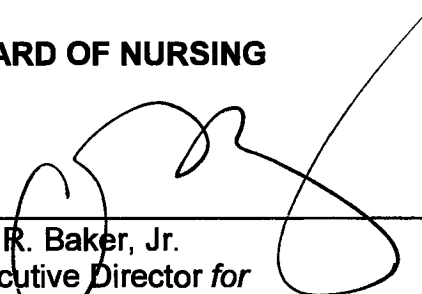

1. The Board has jurisdiction over this matter pursuant to Section 120.565, Florida Statutes, and Rule 28-105, Florida Administrative Code.

2. The petition filed in this cause is in substantial compliance with the provisions of Section 120.565, Florida Statutes, and Rule 28-105, Florida Administrative Code.

WHEREFORE, the Board hereby finds that under the specific facts of the petition, as set forth above, it is not within the scope of the practice of registered nursing to administer injections for aesthetic purposes.

DONE AND ORDERED this 2nd day of Oct, 2017.

May 3, 2017,

My name is Walter Lampeter, and I have petitioned the Florida State Board for a declaratory statement on the injection of dermal fillers and botulinum toxin. Enclosed for your review, please find certificates of training in regard to these procedures.

Pending the Board's approval, I would like to provide these treatments in a medical office, under physician supervision. This physician will have clinical experience in the provision of aesthetic injectable treatments.

Please feel free to contact me, should you require any additional information regarding this petition. Thank you in advance, for your kind consideration!

Sincerely,

Walter Lampeter

Petition for Declaratory Statement Before the Florida Board of Nursing

My name is Walter Lampeter, and I would like to petition the Florida State Board for a declaratory statement on the injection of dermal fillers and botulinum toxin. I had been previously licensed as an RN in Florida, and understand that nursing scope of practice, as it pertains to aesthetic procedures, is not addressed in the Florida Nurse Practice Act or the rules of the Board of Nursing in the Florida Administrative Code.

As an RNFA in plastic surgery, with over 18 years experience, I have performed many such procedures in New York / Connecticut, and have recently relocated to the Miami area. Additionally, I currently provide education to physicians and mid-level healthcare providers, in regard to injection techniques, and the safe administration of these types of products.

Given my previous clinical practice, I would ask the Board's decision in regard to my providing such services in Florida, under physician supervision. Attached, please find a copy of my CV for your review. Also, I would gladly provide any additional supporting documentation required, to facilitate the determination of my case.

Thank you in advance, and I very much look forward to your response!

Respectfully Submitted,

Walter Lampeter
