

State of Florida 2015-2016 Summary of School Health Services
Legislative Authority for School Health Services provided by Florida Statute Sections 381.0056, 381.0057, 402.3026.

Note: The data contained in this report is a combination of data from local county Annual School Health Service Reports, service data entered into the Department of Health - Health Management System, Vital Statistics, Schedule C Funding Allocation Reports, and the Department of Education (DOE). Annual school health service reports submitted by Florida counties contain information on school health services provided by county health departments, school districts and community partners.

Public Schools and Students		School Health Staff (excludes Exceptional Student Education Staff)						
Elementary/Middle/High/Combined Level Schools	3,568	Ratio of Registered Nurses (RN) to Schools and Students						
Pre-Kindergarten Through 12th Grade Students	2,776,156	Registered Nurse to Student Ratio 1: 2,410						
Annual Average Number of Health Room Visits Per Student	6.30	Registered Nurse to School Ratio 1: 2.67						
% of Students Returning to Class After Health Room Visits	88.40%	<i>Note: The National Association of School Nurses (2015) and Federal Department of Health and Human Services (2014) recommend a ratio of 1 registered nurse (RN) for every 750 students. The 2015-2016 state average RN to student ratio was 1 RN to 2,406 students. The American Academy of Pediatrics (2016) recommends 1 professional (registered) school nurse for every school.</i>						
Annual Average Number of Services Per Student	16.38							
<i>Note: Based on DOE student membership and school counts for 2015-2016, minus Vocational-Technical, Department of Juvenile Justice, Jail, Residential and Virtual schools.</i>								
2015-2016 for School Health Services		County Health Department

Polk 2015-2016 Summary of School Health Services

Legislative Authority for School Health Services provided by Florida Statute Sections 381.0056, 381.0057, 402.3026.

Note: The data contained in this report is a combination of data from local county Annual School Health Service Reports, service data entered into the Department of Health - Health Management System, Vital Statistics, Schedule C Funding Allocation Reports, and the Department of Education (DOE). Annual school health service reports submitted by Florida counties contain information on school health services provided by county health departments, school districts and community partners.

Public Schools and Students			School Health Staff (excludes Exceptional Student Education Staff)				
Elementary/Middle/High/Combined Level Schools	132		Ratio of Registered Nurses (RN) to Schools and Students				
Pre-Kindergarten Through 12th Grade Students	101,643		Registered Nurse to Student Ratio 1: 4,517				
Annual Average Number of Health Room Visits Per Student	6.94		Registered Nurse to School Ratio 1: 5.87				
% of Students Returning to Class After Health Room Visits	77.87%		<i>Note: The National Association of School Nurses (2015) and Federal Department of Health and Human Services (2014) recommend a ratio of 1 registered nurse (RN) for every 750 students. The 2015-2016 state average RN to student ratio was 1 RN to 2,406 students. The American Academy of Pediatrics (2016) recommends 1 professional (registered) school nurse for every school.</i>				
Annual Average Number of Services Per Student	8.62						
<i>Note: Based on DOE student membership and school counts for 2015-2016, minus Vocational-Technical, Department of Juvenile Justice, Jail, Residential and Virtual schools.</i>

Colostomy, Ileostomy, Jejunostomy	Dental Health Education
Electronic Monitoring	Nutrition and Physical Activity Classes
Tube Feeding (e.g., G, J, PEG, NG)	Alcohol, Tobacco and Other Drug Abuse Prevention Classes
Glucose Monitoring	Pregnancy Prevention Classes
Insulin Administration	Sexually Transmitted Disease (including HIV) Prevention
Intravenous Treatments	Violence Prevention/Conflict Resolution Classes
Medications (Inhaled)	Suicide Prevention Classes
Medications (Injection)	Comprehensive Birth Rate Per 1,000: 6th-12th Grade Females
Medications (Nasal)	Countywide Birth Rate Per 1,000: All 11-18 Year-Old Females
Medications (Oral)	Low Weight Births (% of births less than 2,500 grams)
Medications (Other Routes)	Percent of Students Returning to School After Giving Birth
Oxygen Continuous or Intermittent	
Specimen Collection or Testing	Full Service Schools
Tracheostomy Care	<i>Note: Full Service Schools provide basic school health services and coordinate the provision of donated (in-kind) health and social services on school campuses.</i>
Ventilator Dependent Care	Number of Full Service Schools
Other Procedures	Number of Full Service School Students
Total	Number of In-Kind Hours from Health/Social Service Agencies
<i>Note: Estimates based on services provided during February 2013 Full Time Equivalent (FTE) Week.</i>	Dollar Value of In-Kind Hours Donated by Local Agencies
School Health Screening of Students in Grade Levels Mandated by Chapter 64F-6.003, Florida Administrative Code	
<i>Note: The percent of students screened in mandated grades may be over 100% due to screening students enrolled after the October survey of student membership.</i>	
Screenings and Referrals	Growth and Development with Body Mass Index
Target Populations (Mandated grade levels for each screening)	Vision
Number of Students in Mandated Grades (minus opt-outs)	Hearing
Number (#) of Students Screened in Mandated Grades	Scoliosis
Percent (%) of Students Screened in Mandated Grades	Obese
Number (#) of Students Referred for Abnormal Results	
	Healthy Weight
Body Mass Index Screening Results	Underweight
Number of 1st, 3rd and 6th Grade Students by BMI Percentile	Overweight
Percent of 1st, 3rd, 6th Grade Students by BMI Percentile	Obese

Walton 2015-2016 Summary of School Health Services

Legislative Authority for School Health Services provided by Florida Statute Sections 381.0056, 381.0057, 402.3026.

Note: The data contained in this report is a combination of data from local county Annual School Health Service Reports, service data entered into the Department of Health - Health Management System, Vital Statistics, Schedule C Funding Allocation Reports, and the Department of Education (DOE). Annual school health service reports submitted by Florida counties contain information on school health services provided by county health departments, school districts and community partners.

Public Schools and Students				School Health Staff (excludes Exceptional Student Education Staff)	
Elementary/Middle/High/Combined Level Schools	16			Ratio of Registered Nurses (RN) to Schools and Students	
Pre-Kindergarten Through 12th Grade Students	8,855			Registered Nurse to Student Ratio	1: 1,736
Annual Average Number of Health Room Visits Per Student	6.94			Registered Nurse to School Ratio	1: 3.14
% of Students Returning to Class After Health Room Visits	90.55%			<i>Note: The National Association of School Nurses (2015) and Federal Department of Health and Human Services (2014) recommend a ratio of 1 registered nurse (RN) for every 750 students. The 2015-2016 state average RN to student ratio was 1 RN to 2,406 students. The American Academy of Pediatrics (2016) recommends 1 professional (registered) school nurse for every school.</i>	
Annual Average Number of Services Per Student	24.23				
<i>Note: Based on DOE student membership and school counts for 2015-2016, minus Vocational-Technical, Department of Juvenile Justice, Jail, Residential and Virtual schools.</i>					
2015-2016 for School Health Services				County Health Department	
County Health Department Schedule C Revenue				Registered Nurses	2.00
Tobacco Settlement Funds	N/A			Licensed Practical Nurses	0.00
General Revenue	\$106,631			Health Aides/Techs	0.00
Title XXI (State Child Health Insurance Program)	\$119,415			School District	
County Health Department Schedule C Subtotal	\$226,046			Registered Nurses	3.10
County Health Department - Other Funding	\$0			Licensed Practical Nurses	6.90
County Health Department Total	\$226,046			Health Aides/Techs	0.00
School District Subtotal	\$393,512			Community Partners (Public and Private)	
Community Partners (Public and Private) Subtotal	\$0			Registered Nurses	0.00
Total	\$619,558			Licensed Practical Nurses	0.00
Annual Per Student Expenditure for School Health		\$69.97		Health Aides/Techs	0.00
<i>Note: Per student expenditure includes funding from all of the above sources.</i>					
Reported Student Health Conditions				Total Health Staff	
Type of Health Condition	Number of Conditions Reported			Registered Nurses	5.10
Allergies: Life Threatening	124			Licensed Practical Nurses	6.90
Allergies: Non-Life Threatening	509			Health Aides/Techs	0.00
Asthma	394			Key School Health Services in Health Management System
