STATE OF FLORIDA
DEPARTMENT OF HEALTH

In Re:

SUSPENSION OF STATUTES, ORDERS, AND RULES PURSUANT TO EXECUTIVE ORDER NUMBER 22-218 MADE NECESSARY BY TROPICAL STORM IAN.

DOH No. 22-001

EMERGENCY ORDER

WHEREAS, on September 23, 2022, Governor Ron DeSantis issued Executive Order 22-218 regarding Tropical Depression Nine and declared a state of emergency in 24 counties; and

WHEREAS, on September 24, 2022, Tropical Depression Nine strengthened into Tropical Storm Ian and Governor Ron DeSantis issued Executive Order 22-219 reaffirming his previous order and declaring a state-wide emergency; and

WHEREAS, Section 4 of Executive Order 22-218 allows state agencies to suspend the provisions of any regulatory statute, order, or rule, if strict compliance with the provisions of the statute, order, or rule would prevent, hinder, or delay necessary action in coping with the emergency; and

WHEREAS, it is necessary for the Department of Health to expeditiously procure commodities, goods, and services to effectively respond to the threat posed by Tropical Storm Ian; and

WHEREAS, I find that strict compliance with the provisions of certain statutes or rules
proscribing procedures governing the Florida Department of Health would prevent, hinder, or delay necessary action in preparing for and mitigating the effects of this emergency.

NOW, THEREFORE, I, JOSEPH A. LADAPO, MD, PhD, pursuant to section 4.B. of Executive Order No. 22-218, find that strict compliance with the provisions of certain regulatory statutes and rules prescribing the procedures for conduct of state business by the Florida Department of Health will prevent, hinder, or delay necessary action in coping with the emergency caused by Tropical Storm Ian. In order to effectively respond to the threat posed by Tropical Storm Ian it is necessary to promulgate the following:

Section 1:

Sections 287.055(3)(a)-(d), 4(a)-(d), 5(a)-(c), and 287.057(3), Florida Statutes, and Florida Administrative Code Rules 60A-1.002(4), 60A-1.021(2), and 60A-1.043(1)-(3), are likely to impede the Department of Health's ability to take actions needed to effectively facilitate the mitigation, response, and recovery necessary to respond to this emergency and are hereby suspended for the duration of Executive Order 22-218 and any modifications or extensions thereof.

Because section 252.36(6)(a), Florida Statutes, allows the Governor to suspend the provisions of “any regulatory statute prescribing the procedures for [the] conduct of state business,” and because Executive Order 22-218 provides the authority to issue this Emergency Order, the requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to this Order. This order shall remain in effect as stated above or until modified by order of the State Surgeon General.

Executed this 26th day of September 2022, in Department of Health offices, Tallahassee, Leon County, Florida.
