Florida Department of Health HIV/AIDS Section HIV SECTION MEDICATION FORMULARY WORKGROUP (HSMFW) MEMBERSHIP APPLICATION

Eligibility Criteria:

- The HIV/AIDS Section HSMFW is open to interested parties in all areas of the HIV/AIDS community.
- New members will be appointed for a term or at least two or three years, as the needs of the workgroup dictates. Please refer to the by-laws for further information on new member appointments, terms, and duties.
- The AIDS Drug Assistance Program (ADAP) and other programs within the HIV/AIDS Section provide direct drug assistance. Workgroup members will be asked to make objective decisions about the clinical and programmatic merit of specific drugs, along with other aspects of the program. For this reason, it is imperative that workgroup members disclose potential conflicts of interest, such as employment with pharmaceutical companies or companies that provide pharmaceutical services.
- No member may receive unallowable compensation while serving on the HSMFW. The proposed interpretation of the restriction on compensation is as follows:
 - Pharmaceutical companies routinely sponsor conferences, receptions, and educational programs that include refreshments and/or meals that are available to all attendees. These events are not viewed as compensation to any individual, and participation would not be problematic.
 - Pharmaceutical companies often provide unrestricted educational grants to AIDS service organizations and community-based organizations. These are generally not considered to be individual compensation, and a workgroup member's affiliation with such an organization would not affect eligibility.
 - Scholarships for attendance at educational conferences or programs sponsored by pharmaceutical companies do not affect eligibility.
 - Consumers may also receive complimentary meals or refreshments from a pharmaceutical representative when attending meetings or conferences. This does not affect eligibility.
 - Direct payments made to an individual for conference presentations or for serving on a speaker's board for a pharmaceutical company is a conflict of interest.

If you have any questions regarding eligibility or any other aspect of the application or HSMFW, please contact Jeannette Iriye, HIV/AIDS Section RN consultant at 850-901-6708. The completed application can be sent via email to Jeannette.Iriye@flhealth.gov.
