INTEROFFICE MEMORANDUM

DATE: December 7, 2017 DCEH 17-009

TO: County Health Department Directors/Administrators
ATTN: Environmental Health and Engineering Directors

THROUGH: Kendra F. Goff, PhD, DABT, CPM, CEHP, State Toxicologist & Chief
Bureau of Environmental Health

FROM: Ed Barranco, MPH, CEHP, CPM, Environmental Administrator
Onsite Sewage Programs Section 

SUBJECT: OSTDS Variance Committee Meetings

INFORMATION ONLY

Enclosed is a list of the Variance Review and Advisory Committee for Onsite Sewage Treatment and Disposal Systems meetings for 2018.

Eight copies of a complete variance application package must be received in the Onsite Sewage Program office no later than the 15th of the month in order for the application to be included on the agenda for the following month's meeting. If the 15th falls on a legal holiday or weekend, applications will be accepted until the close of business the next day following the holiday or weekend.

Information submitted should be comprehensive, clear and concise since the variance committee members have no knowledge of the situation involved in the variance request beyond what is contained in the application. Applications that are incomplete may be returned, tabled or denied. Instructions for completing and assembling a variance application package are printed on the back of the variance application form. Please make sure that any forms you provide to an applicant include the instructions. The variance application form (DH 4057, 8/2009) is available on the Department's internet and intranet websites.

The mailing address for variance applications is:
