**SUBJECT:** 2021 OSTDS Variance Committee Meetings: Virtual Meetings

**INFORMATION ONLY**

---

Enclosed is a list of the Variance Review and Advisory Committee for Onsite Sewage Treatment and Disposal Systems meetings for January through June 2021. There is a tentative Webinar scheduled for July 1, 2021, as that is our scheduled move to Department of Environmental Protection. Any changes will be announced at least seven days before the July meeting.

Eight copies of a complete variance application package must be received in the Onsite Sewage Program office no later than the 15<sup>th</sup> of the month for the application to be included on the agenda for the following month's meeting. If the 15<sup>th</sup> falls on a legal holiday or weekend, applications will be accepted until the close of business the next day following the holiday or weekend.

Information submitted should be comprehensive, clear and concise since the variance committee members have no knowledge of the situation involved in the variance request, beyond what is contained in the application. Incomplete applications will be returned, tabled or denied. Instructions for completing and assembling a variance application package are printed on the back of the variance application form. Please ensure any forms provided to an applicant include the instructions. The variance application form (DH 4057, 8/2009) is available on the Florida Department of Health internet and SharePoint websites.

The mailing address for variance applications is:

Florida Department of Health  
Bureau of Environmental Health  
Onsite Sewage Programs Section, C/O Ed Williams  
4052 Bald Cypress Way, Bin #A08  
Tallahassee, Florida 32399-1710

If you have any questions, please contact Ed Williams at [ed.williams@flhealth.gov](mailto:ed.williams@flhealth.gov) or 850-901-6522.
