SUBJECT: Maintain the Drain – Video Public Service Announcements

INFORMATION ONLY

Enclosed for your use is a copy of the video public service announcements prepared to promote maintenance and management of onsite systems. These 30 second video announcements are built around information in the Homeowner's Brochure to promote the "Prevent, Protect, Pump" message to the general public. We are working with statewide cable associations to have these ads aired over the next year, however please feel free to use these at your local level.

If you have any questions please call our office at 850-245-4075.
