

## FTSAC Commons Hour

July 5, 2023

### Council Members in attendance:

Lisa DiNova

### Discussion Leader:

Laura Hamilton

### Opening Comments:

 Presented by Kate Kocevar – DOH

General business of the Florida Trauma System Advisory Council. The purpose of this meeting is to facilitate informal discussion between council members pursuant to Chapter 286, Florida Statutes, and Article I, Section 24, of the Florida Constitution. The Florida Trauma System Advisory Council will not vote or take any official action during the meeting.

Review of agenda: standards to be reviewed.

Laura Hamilton (Laura): Explained the layout of the document being reviewed. Discussion at the June 14 meeting to combine all the separate chapters into a single document and show level specific items within the single standard.

### Standard IX - Equipment

Speaker	Organization/Facility	Comments
Laura Hamilton (Laura)	BayFront Health	Reviewed which ACS standards were reviewed/utilized 3.7, 3.8, 5.11  Reviewed redline changes for <b>trauma resuscitation</b> area – addition of cerebral monitoring
Susan Ono (Susan)	Orlando Health	Remove Autotransfusion
Lisa DiNova (Lisa)	FTSAC	Remove DPL and Traction from trauma resuscitation Are they needed specifically in the trauma resuc. Area. Also addition of ultrasound for FAST
Susan		Agrees if we are still asking if it is being utilized should we have it as a standard
Dr Zito	Orlando Health	Remove DPL and traction – are institution specific but does not need to be in the standard
Laura		Add ultrasound
Dr Zito		Agrees with adding ultrasound for FAST
Laura		Reviewed inline changes
Laura		Reviewed redline changes for <b>Operating room</b> section Added cerebral monitoring equipment
Dr Zito		Recommends streamlining the equipment discussion related to whether there is a need for everything spelled out really needed – i.e. IV fluid, anesthesia equipment, etc discussion of removal of autotransfusion, addition of cell saver to be had at a later date
Lisa		Other centers have utilized it for clarification to their administration. Discussion to provide a list of

		minimum necessary equipment for each specific area was at other meetings
Laura		Look at this list as you would as if you are a new trauma center
Kate		Agrees with comments at previous meeting regarding checklist concept
Kate		Combine 4&5
Laura		Reviewed inline changes
Laura		Reviewed proposed changes <b>to PACU</b> section including removal of autotransfusion
Dr Zito		Remove autotransfusion language. Should cell saver be added into the language? Where does this fit into?
Susan		Cost this be cost additive to a center?
Dr Zito		Probably would be cost additive
Lisa		Agree to discuss cell saver at a later date and remove the autotransfusion language now
Dr Zito		Agrees to just remove autotransfusion. Not able to be done at most center. To prevent cost additions just remove autotransfusion.
Laura		Reviewed proposed changes to <b>ICU/PICU</b> Added cerebral monitoring and deleted ICP monitoring to streamline language  Deleted autotransfusion
Lisa		Agrees, no other comments received
Laura		<b>Med/Surg</b> unit Nothing added/deleted
Dr Zito		Agrees
		No other comments received

#### Standard X – Laboratory Services

Speaker	Organization/Facility	Comments
		Added ACS std 3.4 blood products Do we need to have adequate supply or list out specific unit requirements
Lisa		Remove C being replaced by 2 No additional comments received

#### Standard XI – Acute Hemodialysis Capability

Speaker	Organization/Facility	Comments
Laura		Reviewed proposed changes 4.28 renal replacement services added
Lisa		Adding peds?
Laura		Change to all trauma centers add the 24 hrs and delete original line 1
		No stakeholder or public comments received

## Standard XX – Disaster Planning and Management

Speaker	Organization/Facility	Comments
Lisa		Will be standard 19 for Level II's
Laura		Reviewed proposed changes that includes ACS std 4.36 and 2.3
Lisa		Agree with ACS addition asked Kate about the section referral
Kate		Simplicity of referring to JC and AHCA previously If the intent is to now align with ACS we will need to speak to the general counsel.
Lisa		Copyright issue? Need to paraphrase
Kate		Kate agrees may need to change some language and we may be able to do that based on the general counsel feedback
Susan		Additional costs to meet education requirements
Lisa		Suggestion of changing the wording to include that TS needs to have Disaster specific education
Kate		Look at what the hospital has in relation to DMEP
Dr Zito		Recommend removing the ACS B & 4

**Kate** – Review of upcoming meeting schedule DOH Trauma website for occurrence of meetings

The next meeting will be July 13<sup>th</sup> from 1500-1600

Request for any further feedback

**Susan Ono**: Question of how we are going to let people know that they need to check the website

**Kate** – response to how it will be sent out (AFTC & Dr. Pappas) also public notice

Thank you to Laura & her sub-committee

Meeting adjourned
