Dea Sowers	St. Joseph’s Children’s Hospital	Research need to add peds tag as it is currently required for FL
Laura		Will add peds

Laura		F – H Do we need to keep?
Lisa		Keep – Helps with administrative engagement Possibly align with ACS 2.9 including OPPE
Laura		Requested stakeholder and public comment – none received – Will revisit this section at a later time

Standard V – Emergency Department

Speaker	Organization/Facility	Comments
Laura		Reviewed which ACS standards were reviewed/utilized ACS Standards 4.6 4.7 4.8 4.29 5.2 5.10
		Physician Requirements – 1.
Lisa		Keep Florida as it is a higher standard
Laura		Requested stakeholder and public comment – none received
Laura		Change wording
Lisa		MOC for CE otherwise keep FI
		Requested stakeholder and public comment – none received
Laura		Facility Requirements – A -
Dea		Pedi readiness comments – Generic statement vs ACS
Laura		Agree Does every ED have pedi supplies
Dea		Who decides what is a deficiency if we don't pre-set who evaluates it?
Laura		Is there another pedi section or just add the word peds to sections
Dea		Recommends a generic statement about having equipment etc. to stabilize remove language on gap feedback and deficiencies, due to not going to require the ACS resource tools and change to the L II trauma centers need to be prepared to stabilize a pediatric injured patient and transfer to appropriate center asap
Laura		Added statement
Laura		Requested stakeholder and public comment – none received
Laura		Emergency Physicians
Lisa		Like the current but could agree with MOC
Lisa		Remove Level I and keep just Pediatric trauma centers
Dea		Agrees
Laura		Certification and Experience -
Lisa		Alternate Pathway – highlight and come back to it to compare the two
Laura		Requested stakeholder and public comment – none received
Laura		Privileges – ATLS – Sub committee said to align to ACS
Kate		Recommends sending to FCOT for comment
