

0:0:0.0 --> 0:0:1.690

Dinova, Lisa

Hey everyone, this is Lisa Genova.

0:0:1.980 --> 0:0:10.50

Dinova, Lisa

I'm gonna give it just a couple of minutes to let people get logged on, but Kate wasn't sure she was gonna be able to join us, so I'll get us kicked off and just a couple of minutes.

0:1:19.360 --> 0:1:20.550

Dinova, Lisa

Hey, Laura, how are you?

0:1:20.560 --> 0:1:20.900

Dinova, Lisa

About ready.

0:1:35.620 --> 0:1:36.850

Dinova, Lisa

Laura, can you hear me?

0:1:52.920 --> 0:1:53.880

Hamilton, Laura E.

Is that better, Lisa?

0:1:55.740 --> 0:1:56.720

Dinova, Lisa

Yes, I can hear you now.

0:1:57.40 --> 0:1:57.500

Hamilton, Laura E.

Hello.

0:1:57.510 --> 0:1:57.980

Hamilton, Laura E.

Perfect.

0:1:57.990 --> 0:2:1.830

Hamilton, Laura E.

Yes, I was saying I'm ready, but I wasn't because I have the wrong microphone on.

0:2:3.670 --> 0:2:4.280

Dinova, Lisa

That's OK.

0:2:8.460 --> 0:2:8.620

Hamilton, Laura E.

But.

0:54:17.560 --> 0:54:19.290

Hamilton, Laura E.

Can I try and get it smaller?

0:54:19.420 --> 0:54:20.930

Hamilton, Laura E.

No, it's not gonna do it.

0:54:23.350 --> 0:54:25.750

Hamilton, Laura E.

So this is you have board certification.

0:54:27.240 --> 0:54:32.810

Hamilton, Laura E.

You're getting board certified or you are meeting the alternate criteria.

0:54:35.390 --> 0:54:35.770

Hamilton, Laura E.

And.

0:54:40.10 --> 0:54:48.610

Hamilton, Laura E.

A written attestation by the Ed Medical director that the physician has worked his full time for at least three out of the last five years.

0:54:48.620 --> 0:54:50.410

Hamilton, Laura E.

I don't know why, but that's not making sense to me.

0:54:54.920 --> 0:54:56.60

Hamilton, Laura E.

Council, am I?

0:54:58.650 --> 0:54:59.880

Hamilton, Laura E.

Confused right now.

0:54:59.930 --> 0:55:1.510

Hamilton, Laura E.

Does that make sense or no?

0:55:7.830 --> 0:55:8.20

Stotsenburg, Madonna

No.

0:55:6.690 --> 0:55:9.850

04726ed3-f448-4edb-8b77-8e87ed577823

I'm confused as well, but I think it does make sense.

0:55:12.580 --> 0:55:13.380

04726ed3-f448-4edb-8b77-8e87ed577823

I just need at least.

0:55:11.100 --> 0:55:14.230

Hamilton, Laura E.

OK I I am so confused right now.

0:55:14.240 --> 0:55:22.260

Hamilton, Laura E.

It's like I'm, I know I've just been like, an hour of reading words, and now none of them are making sense or this is like a legit thing.

0:55:25.50 --> 0:55:27.10

04726ed3-f448-4edb-8b77-8e87ed577823

I I think it's like, yeah.

0:55:24.840 --> 0:55:29.790

Hamilton, Laura E.

Because that comes after the alternate criteria that we did it strike through.

0:55:31.430 --> 0:55:31.630

04726ed3-f448-4edb-8b77-8e87ed577823

Yeah.

0:55:35.750 --> 0:55:38.780

Stotsenburg, Madonna

Yeah, I I think that it sounds OK.

0:55:38.950 --> 0:55:43.570

Stotsenburg, Madonna

I think it'll help us when we close out and walk away and then come back and reread it.

0:55:44.510 --> 0:55:44.870

Hamilton, Laura E.

OK.

0:55:51.0 --> 0:55:51.840

Hamilton, Laura E.

Yeah, I think.

0:55:47.810 --> 0:55:53.470

Dinova, Lisa

I was gonna say, Laura, this might be one that we flagged to maybe send out and say everybody read through this one.

0:55:54.80 --> 0:55:55.450

Hamilton, Laura E.

I think that's a good idea.

0:55:55.460 --> 0:55:58.870

Hamilton, Laura E.

I'm like, I'm really trying and I'm trying to figure out like why?

0:55:59.200 --> 0:56:0.310

Hamilton, Laura E.

Why does this not make sense?

0:56:0.320 --> 0:56:5.390

Hamilton, Laura E.

OK, so I'm gonna highlight that and then we will stop here for the day.

0:56:5.880 --> 0:56:11.670

Hamilton, Laura E.

So your homework is to figure out what I was just talking about with #2 there and see how it's supposed to fit in?

0:56:11.900 --> 0:56:14.320

Hamilton, Laura E.

Or are we supposed to do a strike through?

0:56:16.400 --> 0:56:19.530

Hamilton, Laura E.

So I appreciate everybody that was on the call today.

0:56:19.540 --> 0:56:19.920

Hamilton, Laura E.

We are.

0:56:21.850 --> 0:56:26.480

Hamilton, Laura E.

Almost done and I feel like I keep saying that, but it's gotta be soon.

0:56:27.430 --> 0:56:33.450

Hamilton, Laura E.

These things will be completely rewritten and will be able to maybe really start doing some stuff with it.

0:56:33.940 --> 0:56:34.480

Hamilton, Laura E.

Umm.

0:56:34.920 --> 0:56:37.910

Hamilton, Laura E.

So let me just check and see when the next.

0:56:43.720 --> 0:56:44.900

Hamilton, Laura E.

Meeting is.

0:56:47.780 --> 0:56:50.370

Hamilton, Laura E.

That'll be next week at 3:00.

0:56:50.380 --> 0:56:50.700

Hamilton, Laura E.

O'clock.

0:56:51.970 --> 0:56:53.930

Hamilton, Laura E.

Does anybody else have anything for the day?

0:56:59.370 --> 0:56:59.810

Hamilton, Laura E.

No. OK.

0:56:58.430 --> 0:57:1.70

Stotsenburg, Madonna

No, thank you for all of your work on this.

0:57:1.920 --> 0:57:2.650

Hamilton, Laura E.

Oh, thank you.

0:57:4.40 --> 0:57:5.450

Hamilton, Laura E.

Umm, alright.

0:57:5.460 --> 0:57:8.530

Hamilton, Laura E.

Well then we are done until next week.

0:57:8.540 --> 0:57:10.380

Hamilton, Laura E.

I appreciate you guys have a great weekend.

0:57:11.870 --> 0:57:12.620

04726ed3-f448-4edb-8b77-8e87ed577823

Thanks, Laura. Bye.

0:57:12.910 --> 0:57:13.570

Hamilton, Laura E.

Alright, bye.
