

Syringe Exchange Program Implementation, Florida

- County exploring SEP implementation¹
- County with approved county ordinance for syringe exchange
- County with executed letter of agreement²
- County with operational syringe exchange program³

1. “Exploring SEP implementation” means the county has reached out to the Florida Harm Reduction Collective for technical assistance.

2. Per section 381.0038(4), Florida Statutes, county commissions must authorize syringe exchange programs by way of a county ordinance and must enter into a letter of agreement with the Florida Department of Health prior to contracting with an entity to operate the program.

3. Counties that have executed a letter of agreement with the Department have also passed an ordinance.
