

Florida County Priority Areas

All 67 counties have identified a priority area within their community which they will be addressing through the implementation of the projects outlined in their Health Equity Plans. The implementation of these projects will occur over Fiscal Years 2022 to 2025.

Table 1. 2022-2025 Counties Grouped by Priority Area

Priority Area	County	Priority Area	County
Diabetes	Alachua	Mental Health	Bradford
	Bay		Brevard
	Citrus		Charlotte
	DeSoto		Flagler
	Escambia		Glades
	Franklin		Hendry
	Gadsden		Lee
	Gulf		Monroe
	Hamilton		Nassau (Alzheimer's)
	Hardee		Pasco
	Highlands		Union
	Holmes		Dixie
	Jackson	Gilchrist	
	Jefferson	Levy	
	Marion	Madison	
	Osceola	Miami-Dade	
Sarasota	Pinellas		
Washington	St. Johns		
Healthy Weight	Baker	Cardiovascular Disease	Taylor
	Calhoun		Volusia
	Clay		Wakulla
	Collier		Duval
	Hernando		Lake
	Lafayette		Okaloosa
	Liberty	Infant Mortality	Leon
	Martin		Orange
	Okeechobee		Seminole
	Palm Beach	HIV	Broward
	Putnam		Hillsborough
	Santa Rosa	Maternal & Child Health	Hillsborough
	St. Johns		Manatee
	St. Lucie	Life Expectancy	Okaloosa
