Registering for 2021 Infectious Substances Packaging & Shipping Training in TRAIN 3.0

(Note: non-FDOH users may have a slightly different screen layout.)

Stuck or still need help? Contact <u>Rachel.clark@flhealth.gov</u> with a description of the problem.

Step 1: Log into TRAIN at https://fl.train.org/Desktopshell.aspx

FDOH users: Your login number is your People First number.

Non-FDOH: Don't have a TRAIN account? Click the link to create a free account. (Please set your profile's Groups affiliation to Florida-General: click to tier down from National \rightarrow Florida \rightarrow Florida-General)

Once logged in you should see a screen similar to the one below. (Examples are 2019 screenshots, but 2021 looks the same.)

Step 2: Check your account and notifications

Click on your name on the top navy-blue bar (as circled above) and then select **Your Profile** to access your account and settings. Click **Account** on the left-hand column (see picture below). Important: **Make sure your email address is correct** and current, and if you want to receive a confirmation email, make sure to click the radio button that says Yes below "I would like to receive emails from TRAIN" as in the example following. This has to be done annually, and your email confirmed, to receive confirmations and other course-related information. (Non-DOH users: Please set your profile "Groups" affiliation to Florida-General: click to tier down from National→Florida→Florida-General.)
