

GRAND ROUNDS

PRESENTS

**SAVE
THE DATE**

**Sept. 15, 2020
10-11 a.m. ET**

“Precision Public Health Approaches to Reduce Disparities in Memory Disorder Screening in Rural Minority Communities”

Linda Cottler PHD, MPH, FACE

Professor University of Florida College of Medicine;
Associate Dean of Research, College of Public Health and Health Professions

Catherine L. Striley PHD, MSW, ACSW, MPE

Associate Professor University of Florida College of Medicine

Join us to learn more about:

1. The lack of screening for Alzheimer’s disease in rural and African-American populations which has resulted in high mortality rates and low case rates
2. Misperceptions on consequences of undiagnosed Alzheimer’s disease
3. HealthStreet, a community health worker model
