

Florida Health Grand Rounds Presenter Bio

The Ecology of Health

November 13, 2018, 10:00 AM – 11:00 AM

Presented by Christopher Coutts PhD, MPH

Dr. Christopher Coutts is an eminent figure in the fields of Urban and Regional Planning.

Currently Dr. Coutts is an Associate Professor in the FSU Department of Urban and Regional Planning and a Research Affiliate for the Center for Demography and Population Health. Dr. Coutts is currently working on several projects including his collaboration with Dr. Basmajian which focuses on the implications of the disposal of the dead. Additionally, he is a 2019 Fulbright Scholar for his *Supporting the Critical Role of Nature Conservation in the Healthy Sustainable Development of Malawi*.
