

## Florida Health Grand Rounds Presenter Bio

**Money, Medicine, Metrics in Population Health for Kids**

**March 13, 2018, 10:00 AM – 11:00 AM**

**Presented by Dr. Kelly Kelleher MD, MPH**

Dr. Kelleher is Distinguished Professor of Pediatrics and Public Health and ADS Chair for Innovation in Pediatric Practice in the Colleges of Medicine and Public Health at The Ohio State University. He is also Vice President of Community Health and Services Research at Nationwide Children's Hospital in Columbus, Ohio. He is a pediatrician and health services researcher focused on improving and measuring the quality of pediatric care for high risk children affected by social determinants of health, violence, neglect, alcohol, drug use or mental disorders. He has been continuously funded by NIH and federal research agencies since shortly after completing his training in 1990.

He is involved in strategy development for the Nationwide Children's Healthy Neighborhood, Healthy Family zone focusing on neighborhood leaders, community agencies and related partnerships to improve housing, employment, schools and safety on the Near South Side of Columbus.
