

Florida Health Grand Rounds

Presenter Bio

November 12, 2019 10:00 AM – 11:00 AM

Presented by David Loewenstein, PhD, ABPP/CN

Dr. David Loewenstein, is a board-certified neuropsychologist, the Director for the Center for Cognitive Neuroscience and Aging (CNSA), and a Professor of Psychiatry and Behavioral Sciences at the University of Miami Miller School of Medicine.

Dr. Loewenstein is considered a leader in the field of neuropsychology and its interface with brain biomarkers of Alzheimer's Disease and related disorders. He has been at the forefront of the development of novel cognitive and functional assessment measures that are used nationally and internationally, as well as groundbreaking work relating cognitive neurosciences to brain biomarkers such as amyloid PET, MRI imaging and other imaging modalities. He has over 200 peer-reviewed papers and book chapters and has been continuously funded by the National Institutes of Health (NIH-NIA.). His work has also been supported by Ed and Ethel Moore Grants from the Florida Department of Health. He plays a major role in the 1Florida Alzheimer's Disease Research Center.
