

BRAC FOA Information Webinar Q&A

1. We'd like to estimate the amount of work to prepare for the application. Is it possible to get the full application information page and character limit prior to the full application being open?

ANSWER= The application with character limits has been added to the webpage.

2. Is a research scientist eligible to apply for Bankhead-Coley?

ANSWER= Yes

3. It says is the TFF mechanism of funding still there. What is the budget for technology transfer grants?

ANSWER= Technology Transfer is a Research Priority while the Mechanism of Support is the funding category. Technology Transfer grant applications have been received for consideration under the following Mechanisms of Support: Bridge, Discovery Science,

4. There were questions related to links working in PeerNet.

ANSWER= All links were tested and working properly. Try links a second time and if you have any issues contact the PeerNet Web Assistance.

5. Will the PowerPoint file be available after this meeting.

ANSWER= This presentation has been recorded and will be available on the program website along with the PowerPoint presentation.

6. Can we budget for less than the maximum duration and still ask for the full amount of funding?

ANSWER= You can ask for the full amount of funding outlined in the Mechanism of Support and request less time for your project. However, it is recommended to ask for the maximum duration. If you ask for less time and then you experience a challenge in getting the project completed, you will only be able to ask for one, six-month no cost extension. You can always end the project early.

7. It says can we see the peer review comments from greater than a year ago?

ANSWER= Yes and comments are made available on PeerNet.
