MEMORANDUM

DATE: September 28, 2022

FROM: Rebecca R. Poston, BPharm, MHL
Program Manager
E-FORCSE, Florida Prescription Drug Monitoring Program

SUBJECT: E-FORSCE Service Interruptions

Pursuant to Section 893.055(8)(a)-(b), Florida Statutes, below is a list of the dates and times where the Prescription Drug Monitoring Program system (system) was nonoperational. During these times, a prescriber or dispenser or a designee or a prescriber or dispenser is exempt from the duty to consult the system to review a patient's controlled substance dispensing information. If the system is nonoperational, no more than a 3-day supply may be prescribed or dispensed and a notation must be made in the patient record.
