Question #1. On page 29 of RFA#: 25-003, the evaluation criteria (#19) suggests that scores will be impacted by whether proposals “address the initial three fiscal year grant term (2021 - 2024).” Can we assume that the evaluators will instead assess whether proposals address the five fiscal year grant term (2026-2029)?

Department Response: This should read, “Do the proposed policy responses under Program Plan address the renewal five fiscal year grant term (2026-2030)?”

This is not a competitive solicitation subject to the notice or challenge provisions of section 120.57(3), Florida Statutes.
