

Food and Nutrition Administration
U.S. DEPARTMENT OF AGRICULTURE

July 1, 2026

Krista Schoen

Bureau Chief

Florida Department of Health

4052 Bald Cypress Way, Bin A-17

Tallahassee, FL 32399

Dear Krista Schoen:

This letter is in response to Florida Department of Health's (FLDOH) June 18, 2026, request to approve local program operators to provide non-congregate meal service in the Child and Adult Care Food Program (CACFP) when congregate meal service operations are limited due to natural disasters, unscheduled major building repairs, court orders relating to building safety or other issues, labor-management disputes, or, when approved by the State agency, for a similar unanticipated cause. In order to support continued access to nutritious meals, the Food and Nutrition Administration (FNA) recognizes that certain operational flexibilities may be necessary.

FNA has authority to issue statewide waivers under Section 12(l) of the Richard B. Russell National School Lunch Act (NSLA), 42 U.S.C. 1760(l). To grant a Section 12(l) waiver, the NSLA requires that the waiver must facilitate the purpose of the Program, the public must receive notice and information regarding the proposed waiver, and the waiver will not increase the overall cost of the Program to the Federal Government. FNA finds that FLDOH's waiver request satisfies these statutory requirements.

Specifically, FLDOH requested a statewide waiver of the requirements explained below.

Child and Adult Care Food Program (Buildings are closed for child care centers, adult day care centers, emergency shelters, day care homes, outside-school-hours care centers, and/or at-risk afterschool sites):

The waivers in this section apply to all components of CACFP. These waivers are intended to provide needed flexibility to support program operators in continuing to offer nutritious meals during closures due to the unanticipated causes listed in the first paragraph of this waiver. These waivers are effective through June 30, 2027.

Non-Congregate Meal Service (CACFP)

Under the NSLA, 42 U.S.C. 1766(f)(1)(A) and Program regulations at 7 CFR 226.19 (b)(6)(iii), CACFP meals must be served in a congregate setting and must be consumed by participants on site.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNA waives the requirements to serve meals through the CACFP in a congregate setting. Any other requirements referenced in these provisions remain in effect.

Meal Service Times (CACFP)

Under Program regulations at 7 CFR 226.17a(m) and 226.20(k), meals served in the CACFP must follow meal service time requirements.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNA waives the aforementioned requirements that set meal time parameters for CACFP operators. Any other requirements referenced in these provisions remain in effect.

Parent and Guardian Meal Pickup (CACFP)

Under the NSLA, 42 U.S.C. 1766(f)(1)(A) and Program regulations at 7 CFR 226.2 (Meals), meals must be served to eligible participants.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNA waives the requirements that CACFP meals may only be served directly to enrolled participants. Any other requirements referenced in these provisions remain in effect. State agencies opting to use this flexibility must have a plan for ensuring that local operators are able to maintain accountability and Program integrity. This includes putting in place processes to ensure that meals are distributed only to parents or guardians of eligible participants, and that duplicate meals are not distributed to any participant.

Enrichment Activity (CACFP)

Under the NSLA, 42 U.S.C. 1766(r)(2)(B), afterschool meals and snacks must be served in a school or Program with an educational or enrichment purpose. FNA regulations further require at 7 CFR 226.17a(b)(1)(ii) and (iii), eligible schools and at-risk afterschool care centers to serve afterschool meals and snacks in a structured and supervised environment, with an educational or enrichment activity.

Pursuant to the waiver authority granted at Section 12(l) of the NSLA, FNA waives the aforementioned requirements that require educational or enrichment activities for the at-risk component of CACFP. Any other requirements referenced in these provisions remain in effect.

As a reminder, CACFP regulations require that at-risk afterschool centers must be located in the attendance area of a school (an elementary, middle, or high school) where at least 50 percent of the students are eligible for free or reduced price meals under the National School Lunch Program. School data used to establish free and reduced price eligibility is valid for a period of five years. More information regarding area eligibility can be found at 7 CFR

226.17a(i) and in SP08 CACFP04 SFSP03-2017: Area Eligibility in Child Nutrition Programs (<https://www.fna.usda.gov/cn/area-eligibility-child-nutrition-programs>).

FNA is granting these waivers to allow FLDOH and local program operators to more quickly respond to those occasions when congregate meal service is limited or negatively impacted by unanticipated building closures caused by natural disasters, unscheduled major building repairs, court orders relating to building safety or other issues, labor-management disputes, or, when approved by the State agency, for a similar unanticipated cause. However, FLDOH **may not** approve a waiver for a local program operator for more than 10 consecutive operating days without approval from FNA. In situations that may warrant longer approval periods, the FNA Southeast Regional Office (SERO) will work closely with FLDOH to determine if an extension is needed.

The waiver authority at Section 12(l) of the NSLA requires FNA to review the performance of any State or eligible service provider that was granted a waiver. Therefore, by September 30, 2027, FLDOH must provide to the FNA SERO a report quantifying the impact of the waiver, as described below. The report must include the following:

- A description of how the waiver improved services to participants;
- A summary of benefits and challenges associated with the waiver;
- The number of local program operators (i.e., sponsors or independent centers) that utilized each set of waivers (i.e., the number utilizing CACFP waivers);
- The number and description of which CACFP component (i.e., child care centers, adult day care centers, emergency shelters, day care homes, outside-school-hours care centers, and/or at-risk afterschool sites) that utilized this waiver; and
- A description of why congregate meal service was limited (e.g., natural disasters, unscheduled major building repairs, etc.).

In addition, State agencies should maintain sufficient documentation to ensure local program operators are appropriately implementing the waivers.

If you have questions, please contact the FNA SERO.

Sincerely,

J. Kevin Maskornick

Director

Community Meals Policy Division

Child Nutrition Programs
