DOH-BREVARD Issues Rabies Alert

Contact:

DOH-Brevard Communications
DOH-Brevard.Communications@FLhealth.gov

Brevard County, Fla.—The Florida Department of Health in Brevard County (DOH-Brevard) is issuing a rabies alert in Brevard County in response to a confirmed case of rabies in a raccoon that was captured in the Melbourne area off Andrews Avenue in Brevard County on August 27, 2026. DOH-Brevard is monitoring rabies among wild animals in the area. All residents and visitors should be aware that rabies is currently present in the wild animal population.

People and domestic animals should always avoid physical contact with wild animals (e.g., raccoons, bats, foxes, skunks, otters, bobcats, coyotes), which carry a higher risk of human exposure and a need for rabies post-exposure treatment. If you are exposed to rabies, receiving appropriate treatment after exposure will protect you from the risk of rabies.

This rabies alert is for 60 days and includes the following boundaries in Brevard County:

- **Northern boundary: West Eau Gallie Blvd**
- **Southern boundary: Sarno Road**
- **Eastern boundary: Croton Road**
- **Western boundary: North Wickham Road**

Take the following precautions to prevent rabies exposure:

- Immunize your pets and livestock based on your veterinarian's recommended schedule.
- Keep pets under direct supervision and on a leash, and keep livestock secured on your property. If an animal bites your pet or livestock, seek veterinary assistance for the animal immediately and contact Brevard County Sheriff's Office Animal Services at 321-633-2024.
- Avoid contact with wild or stray animals. Do not handle, feed, or unintentionally attract them with outdoor pet food, open garbage cans, or other sources of food. If you have been bitten or scratched by a wild or domestic animal, seek medical attention, and report the injury to DOH-Brevard by calling 321-634-6337 option 3.
- Never adopt wild animals or bring them into your home; instead, contact a [licensed wildlife rehabilitator](#).
- Call your local animal control agency to remove any stray animals from your neighborhood. Contact Brevard County Sheriff's Office Animal Services at 321-633-2024.
- Prevent wildlife, including [bats](#), from entering living quarters or occupied spaces in homes, schools, and other similar areas where they might come in contact with people and pets.

For more information on rabies, please visit [FloridaHealth.gov/Rabies](https://www.floridahealth.gov/Rabies) or contact DOH-Brevard at 321-634-6337 option 3.
